WOOD

rare & real WOOD

Every space tells a story, and every surface plays a defining role. Our premium decorative laminates are thoughtfully designed to bring together timeless aesthetics, exceptional durability, and everyday functionality. Inspired by nature and refined through advanced manufacturing, each collection offers rich textures, elegant finishes, and enduring performance for residential and commercial interiors alike.

RESIDENTIAL

Designed to elevate modern homes with elegant surfaces that combine timeless aesthetics and everyday durability. Perfect for wardrobes, kitchens, furniture, and interior spaces.

HOSPITALITY

Create inviting hotels, lounges, and cafés with premium laminates that offer sophisticated style, lasting performance, and effortless maintenance in high-traffic environments.

COMMERCIAL

Built for dynamic workplaces and commercial interiors, our laminates deliver exceptional durability, refined finishes, and reliable performance for everyday use.

SHOPS & SHOWROOMS

Make every display stand out with stylish surfaces that enhance visual appeal while resisting daily wear, ensuring a polished look that lasts.

PUBLIC PLACE

Designed for public environments where durability meets design, our laminates withstand frequent use while maintaining their elegant appearance over time.

HOTELS & RESTAURANTS

From luxurious dining spaces to premium hospitality interiors, our laminates provide beautiful finishes, superior resilience, and easy maintenance for lasting impressions.

Step into a virtual 360-degree experience that lets you explore every texture and finish as if you were in the space yourself. Rotate, zoom, and discover the fine grain details and tones that bring each design to life. This immersive walkthrough brings showroom-level clarity to your screen, revealing what photographs alone can't capture. It's not just browsing a catalogue — it's stepping inside the design. Whether you're an architect, designer, or homeowner, every angle helps you decide with confidence. The showroom, now wherever you are.

Flip through a catalogue designed to feel like a showroom in your hands, where every page brings grain, tone, and finish to life in true-to-life detail.

rare & real
WOOD

1.25MM

At just 1.25 mm, this laminate delivers a slim, seamless profile without compromising on strength or finish.

Its precise thickness makes it ideal for surfaces demanding durability and elegance in equal measure, from furniture to interior panelling.

The grain runs deep and natural, as if each surface remembers the tree it once was.

WHERE TEXTURE
MEETS TIMELESS
ELEGANCE

Every plank of this laminate captures the quiet warmth of real wood, bringing the forest's character into the heart of your home.

SYN 11001 | WHEAT WALNUT 1.25MM

There's a certain honesty in wood grain — imperfect, organic, and endlessly inviting to the eye.

SYN 11002 | SANDY MAPLE 1.25MM

CRAFTED FOR
SPACES THAT
INSPIRE

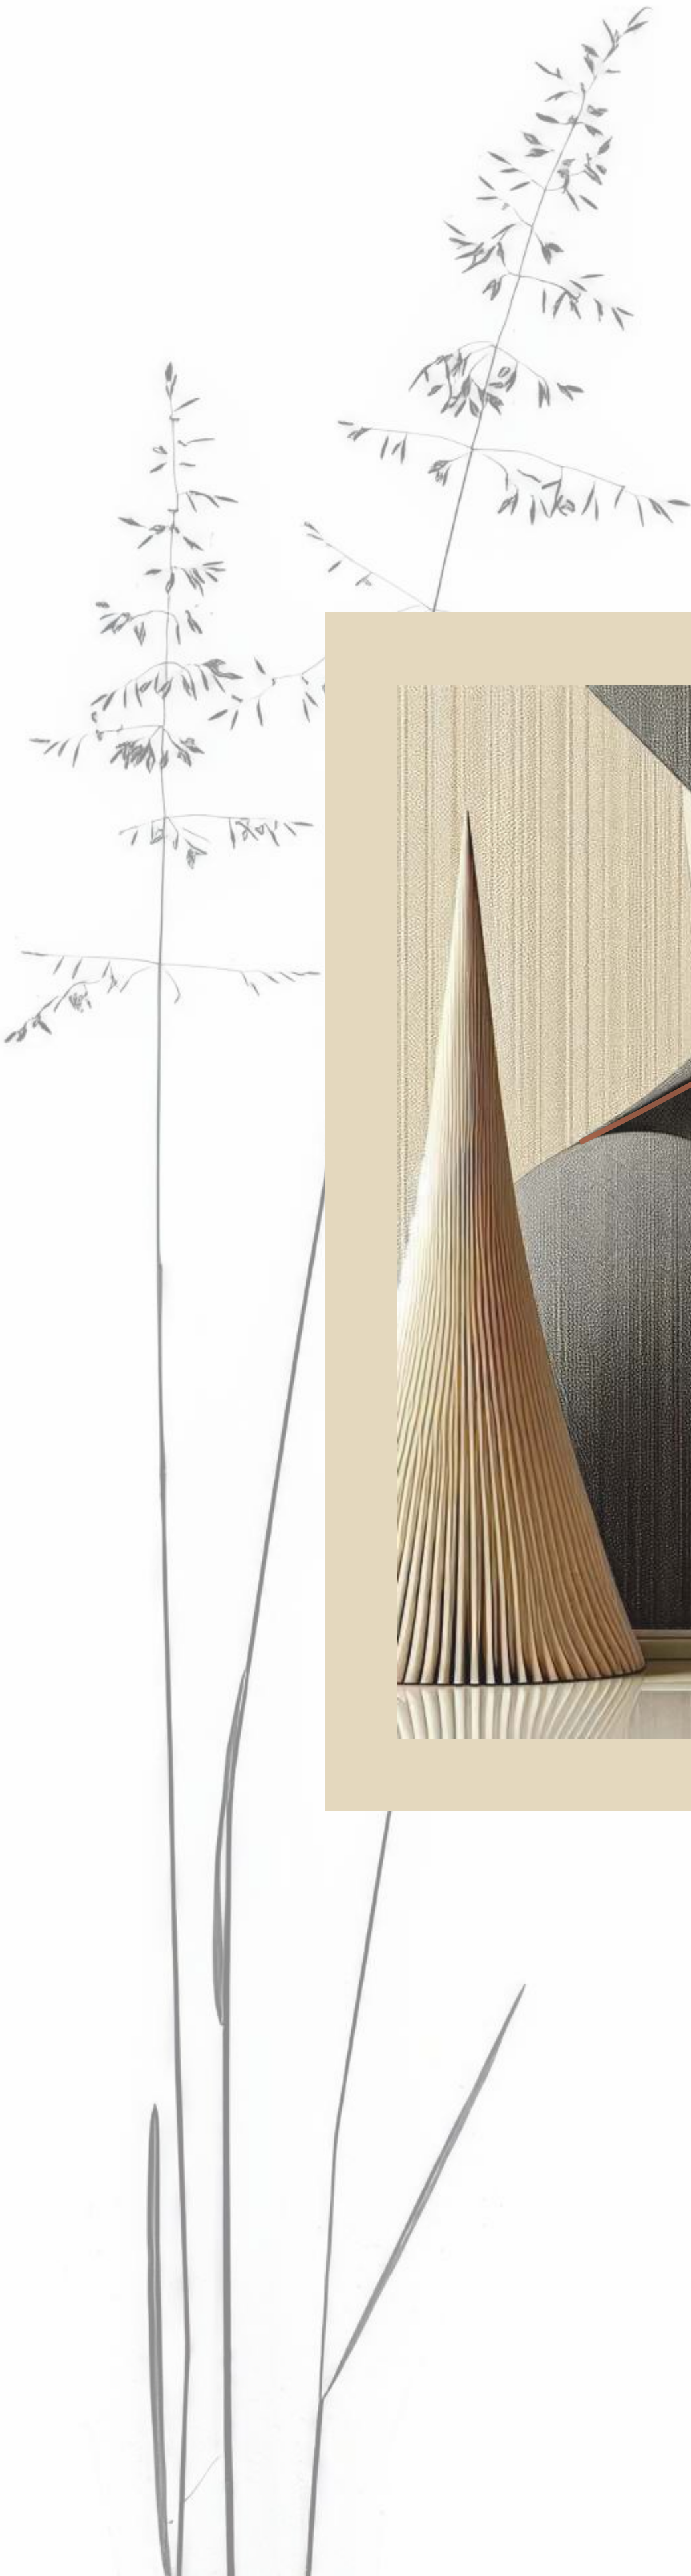

Sunlight falls differently on this laminate, catching every ridge and knot with a beauty that feels handcrafted, not manufactured.

Rich tones of amber and walnut weave together,
creating a surface that feels both grounded
and elegant.

SYN 11003 | CARAMEL BIRCH 1.25MM

DESIGN THAT
OUTLASTS
EVERY TREND

This laminate doesn't just mimic wood; it
carries its soul, its story, its silence.

The texture beneath your fingertips tells
you this was made to be touched, not just
admired.

SYN 11004 | BISCUIT OAK 1.25MM

SYN 11005 | WARM HICKORY 1.25MM

This isn't just flooring or furniture — it's a quiet tribute to nature's own artistry.

SYN 11006 | BOURBON OAK 1.25MM

SURFACES
BUILT TO
TELL STORIES

Like rings in an old oak tree, each grain pattern here holds decades of untold stories.

The deep, warm hues remind you of autumn afternoons and sunlight through forest canopies.

SYN 11007 | TOASTED WALNUT 1.25MM

DESIGN LANGUAGE FOR MODERN SPACES

The laminate's grain flows like a river,
unbroken and endlessly graceful.

Its beauty lies not in perfection, but in the natural irregularities that make wood timeless.

SYN 11008 | COFFEE MAHOGANY 1.25MM

SYN 11009 | UMBER TEAK 1.25MM

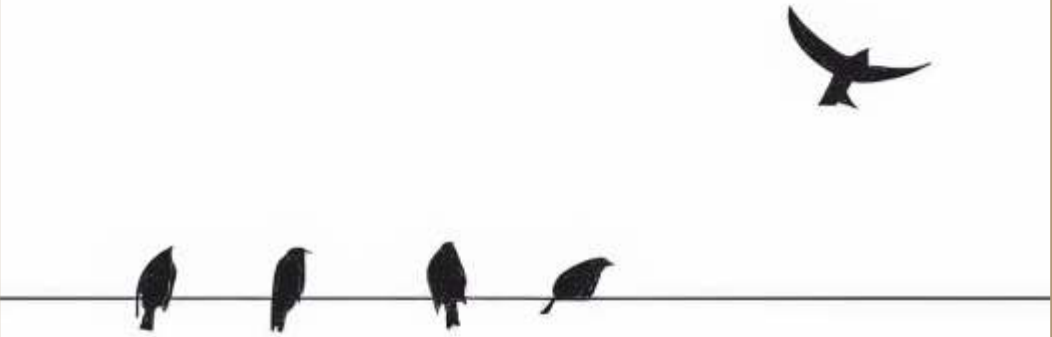

There's a stillness to this finish, the kind you only find in old libraries and sunlit cabins.

SYN 11010 | AGED MAHOGANY 1.25MM

SUBTLE
BEAUTY

This laminate turns functional spaces into places of quiet beauty.

The tone shifts gently with the light,
revealing new depth with every hour of
the day.

SYN 11011 | RICH COCOA 1.25MM

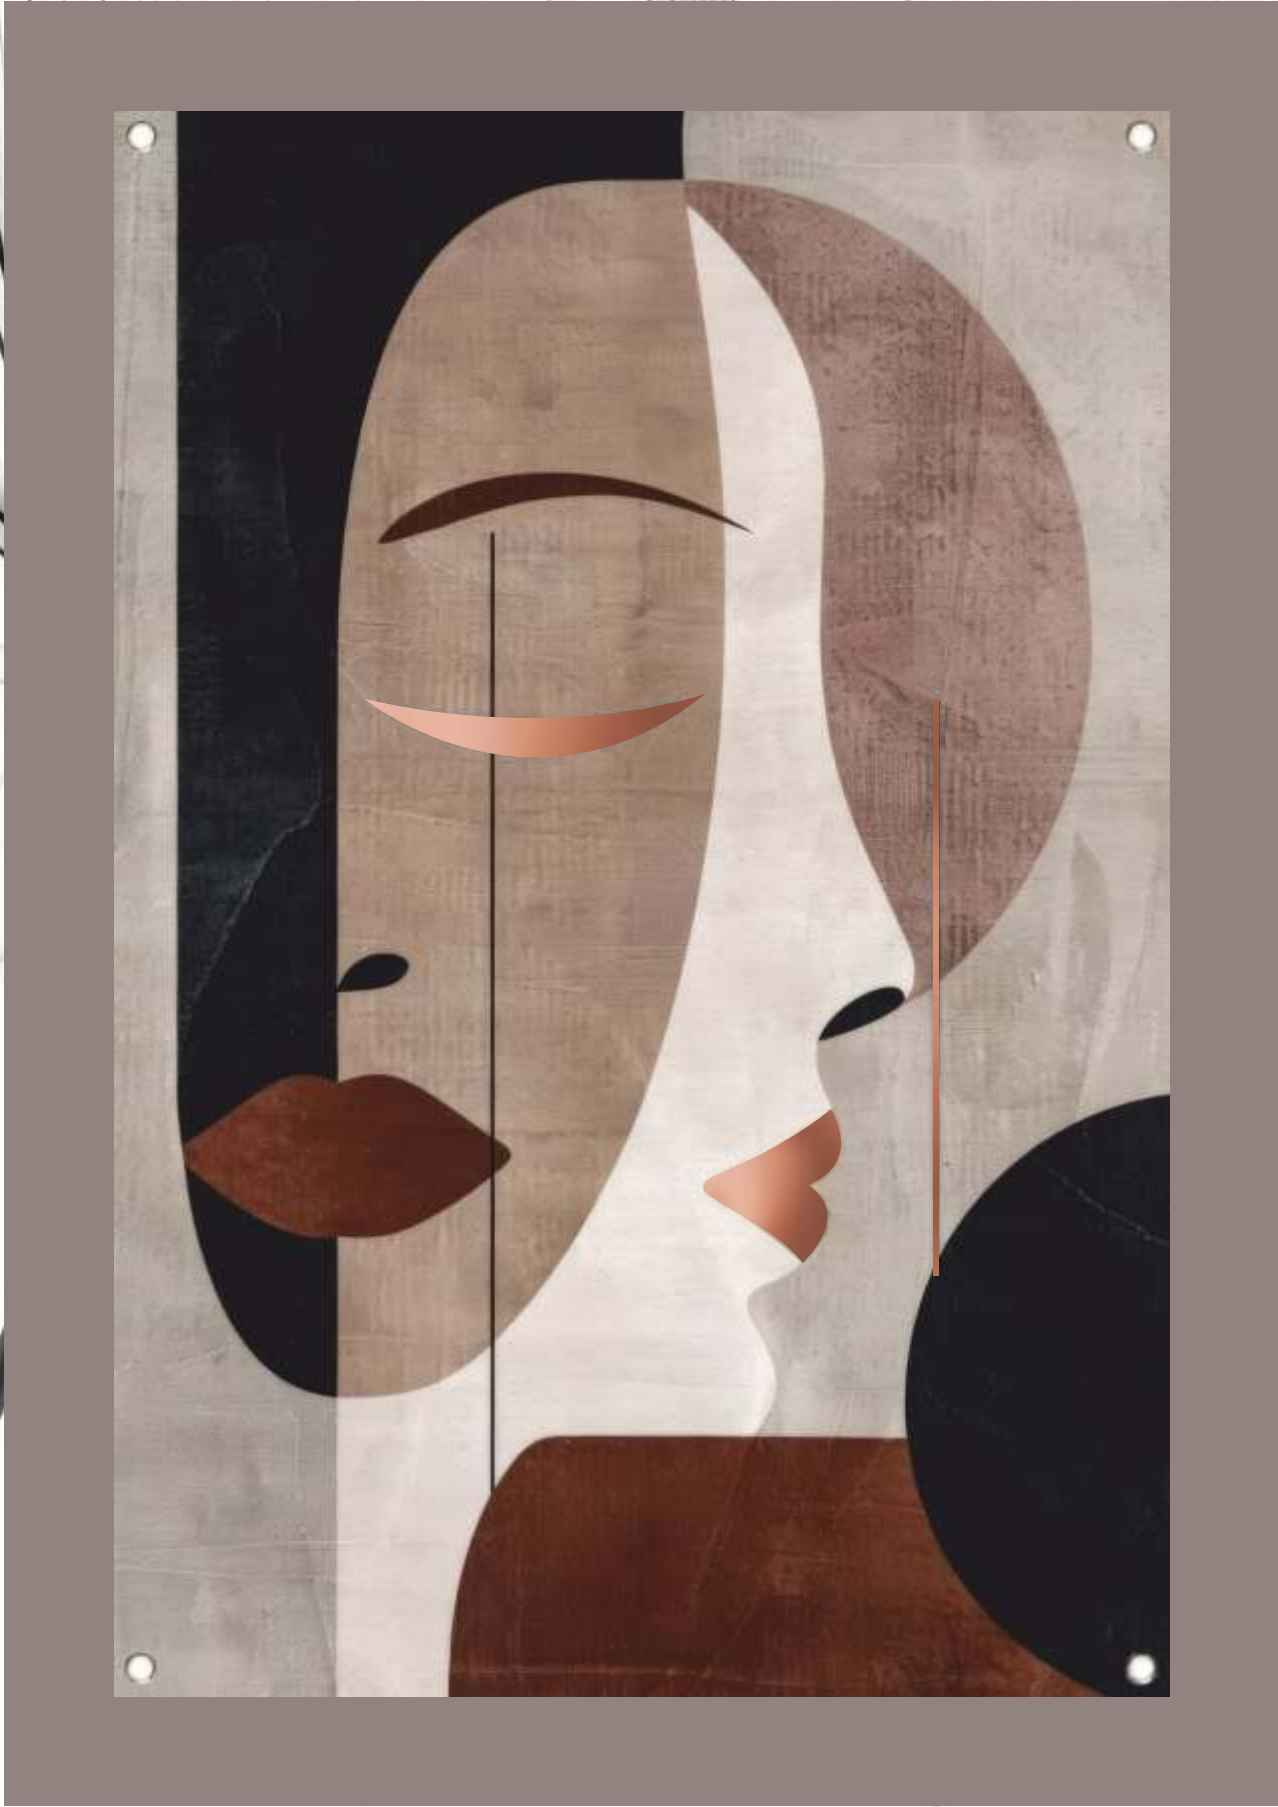

SYN 11012 | DARK MOCHA 1.25MM

This laminate carries the quiet confidence of natural materials, without ever trying too hard.

SYN 11013 | ESPRESSO WALNUT 1.25MM

GRAIN PATTERNS THAT TELL STORIES

Its texture whispers of craftsmanship —
of hands that once shaped timber into
something lasting.

Each grain line seems to trace the passage of time itself, unhurried and deliberate.

SYN 11014 | BURNT UMBER 1.25MM

SYN 11015 | COCOA WENGE 1.25MM

It's the kind of beauty that
doesn't shout — it simply exists,
patient and enduring.

SYN 11016 | MIDNIGHT TEAK 1.25MM

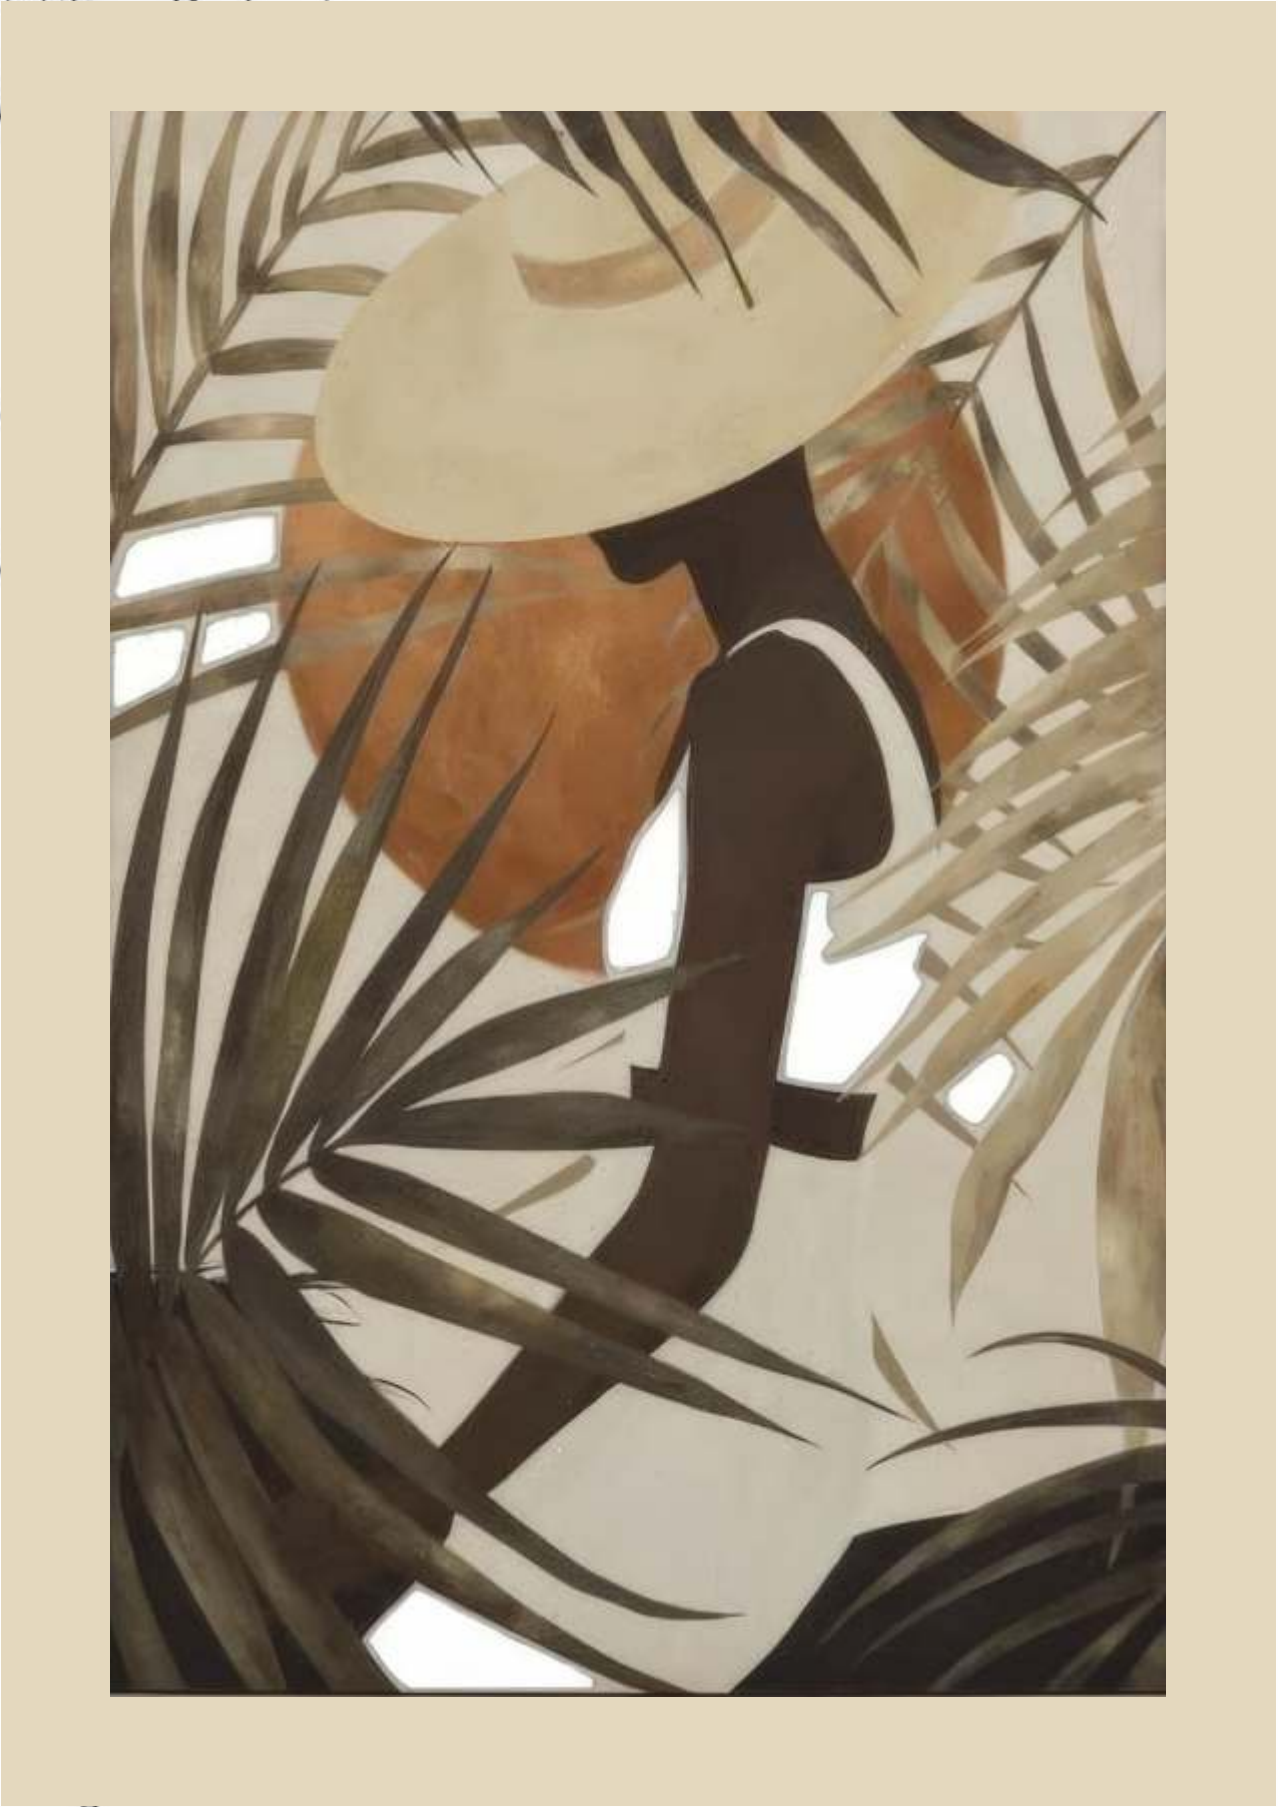

LASTING
IMPRESSIONS

This finish holds the same calm energy as an old wooden door worn smooth by time.

SYN 11017 | SMOKED MAHOGANY 1.25MM

Where craftsmanship
meets contemporary
design

Warm undertones make this laminate feel less like a product and more like a presence.

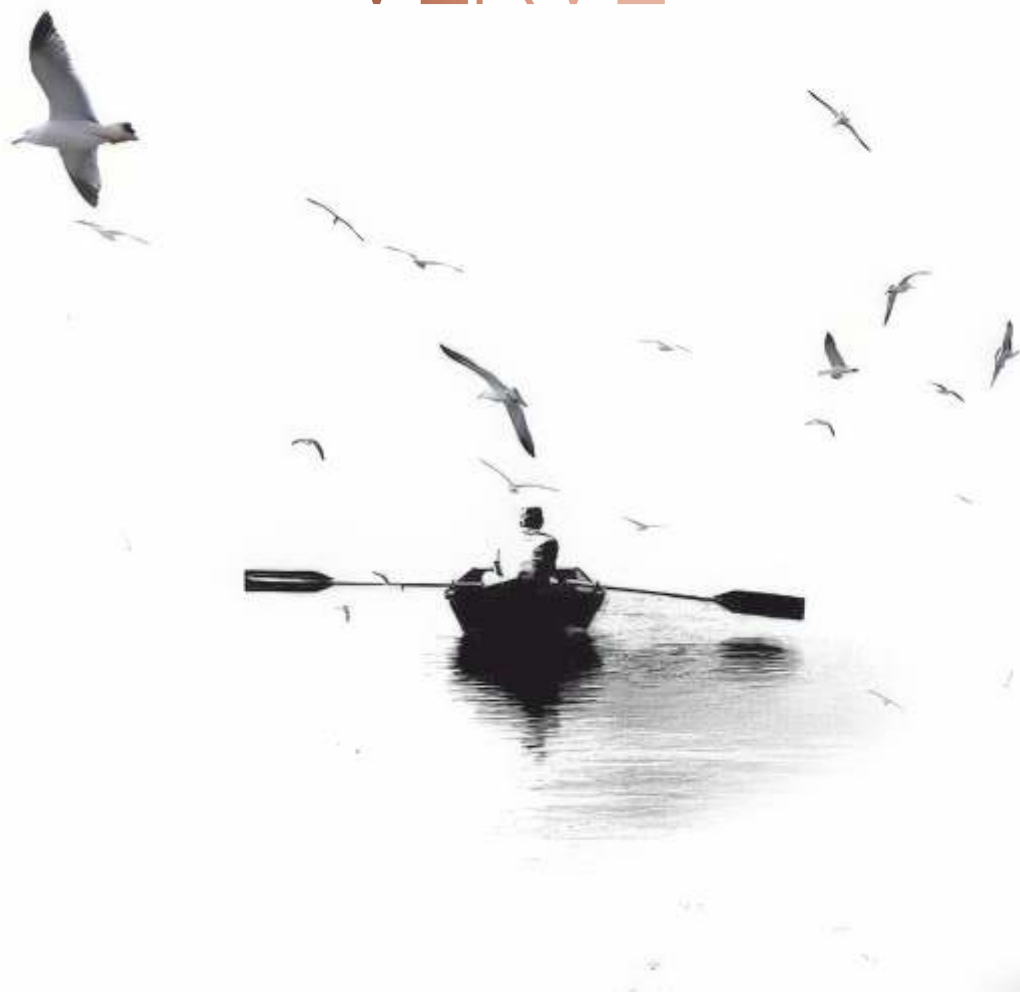

It's a surface that ages gracefully in the mind, even though it never truly ages at all.

SYN 11018 | CHARCOAL TEAK 1.25MM

STUNNING VERVE

The subtle variation in shade gives every panel its own quiet personality.

This laminate captures wood's rustic charm while offering the practicality modern homes demand.

SYN 11019 | CAROB OAK 1.25MM

SYN 11020 | BRUNETTE OAK 1.25MM

rare & real
WOOD

1MM

Thin as it is, this 1 mm laminate holds its own — sleek, refined, and ready for spaces where every millimetre matters.

It's the kind of subtlety that speaks volumes, pairing effortless flexibility with a finish built to last.

There's a groundedness to this finish,
like standing barefoot on a wooden
porch at dawn.

WHERE EVERY SURFACE TELLS A STORY

Its natural texture invites you to slow down
and simply notice the details.

SYN 11021 | BEIGE CEDAR

This surface carries warmth the way old wooden furniture carries memory.

SYN 11022 | AMBER ASH

CRAFTED TEXTURES

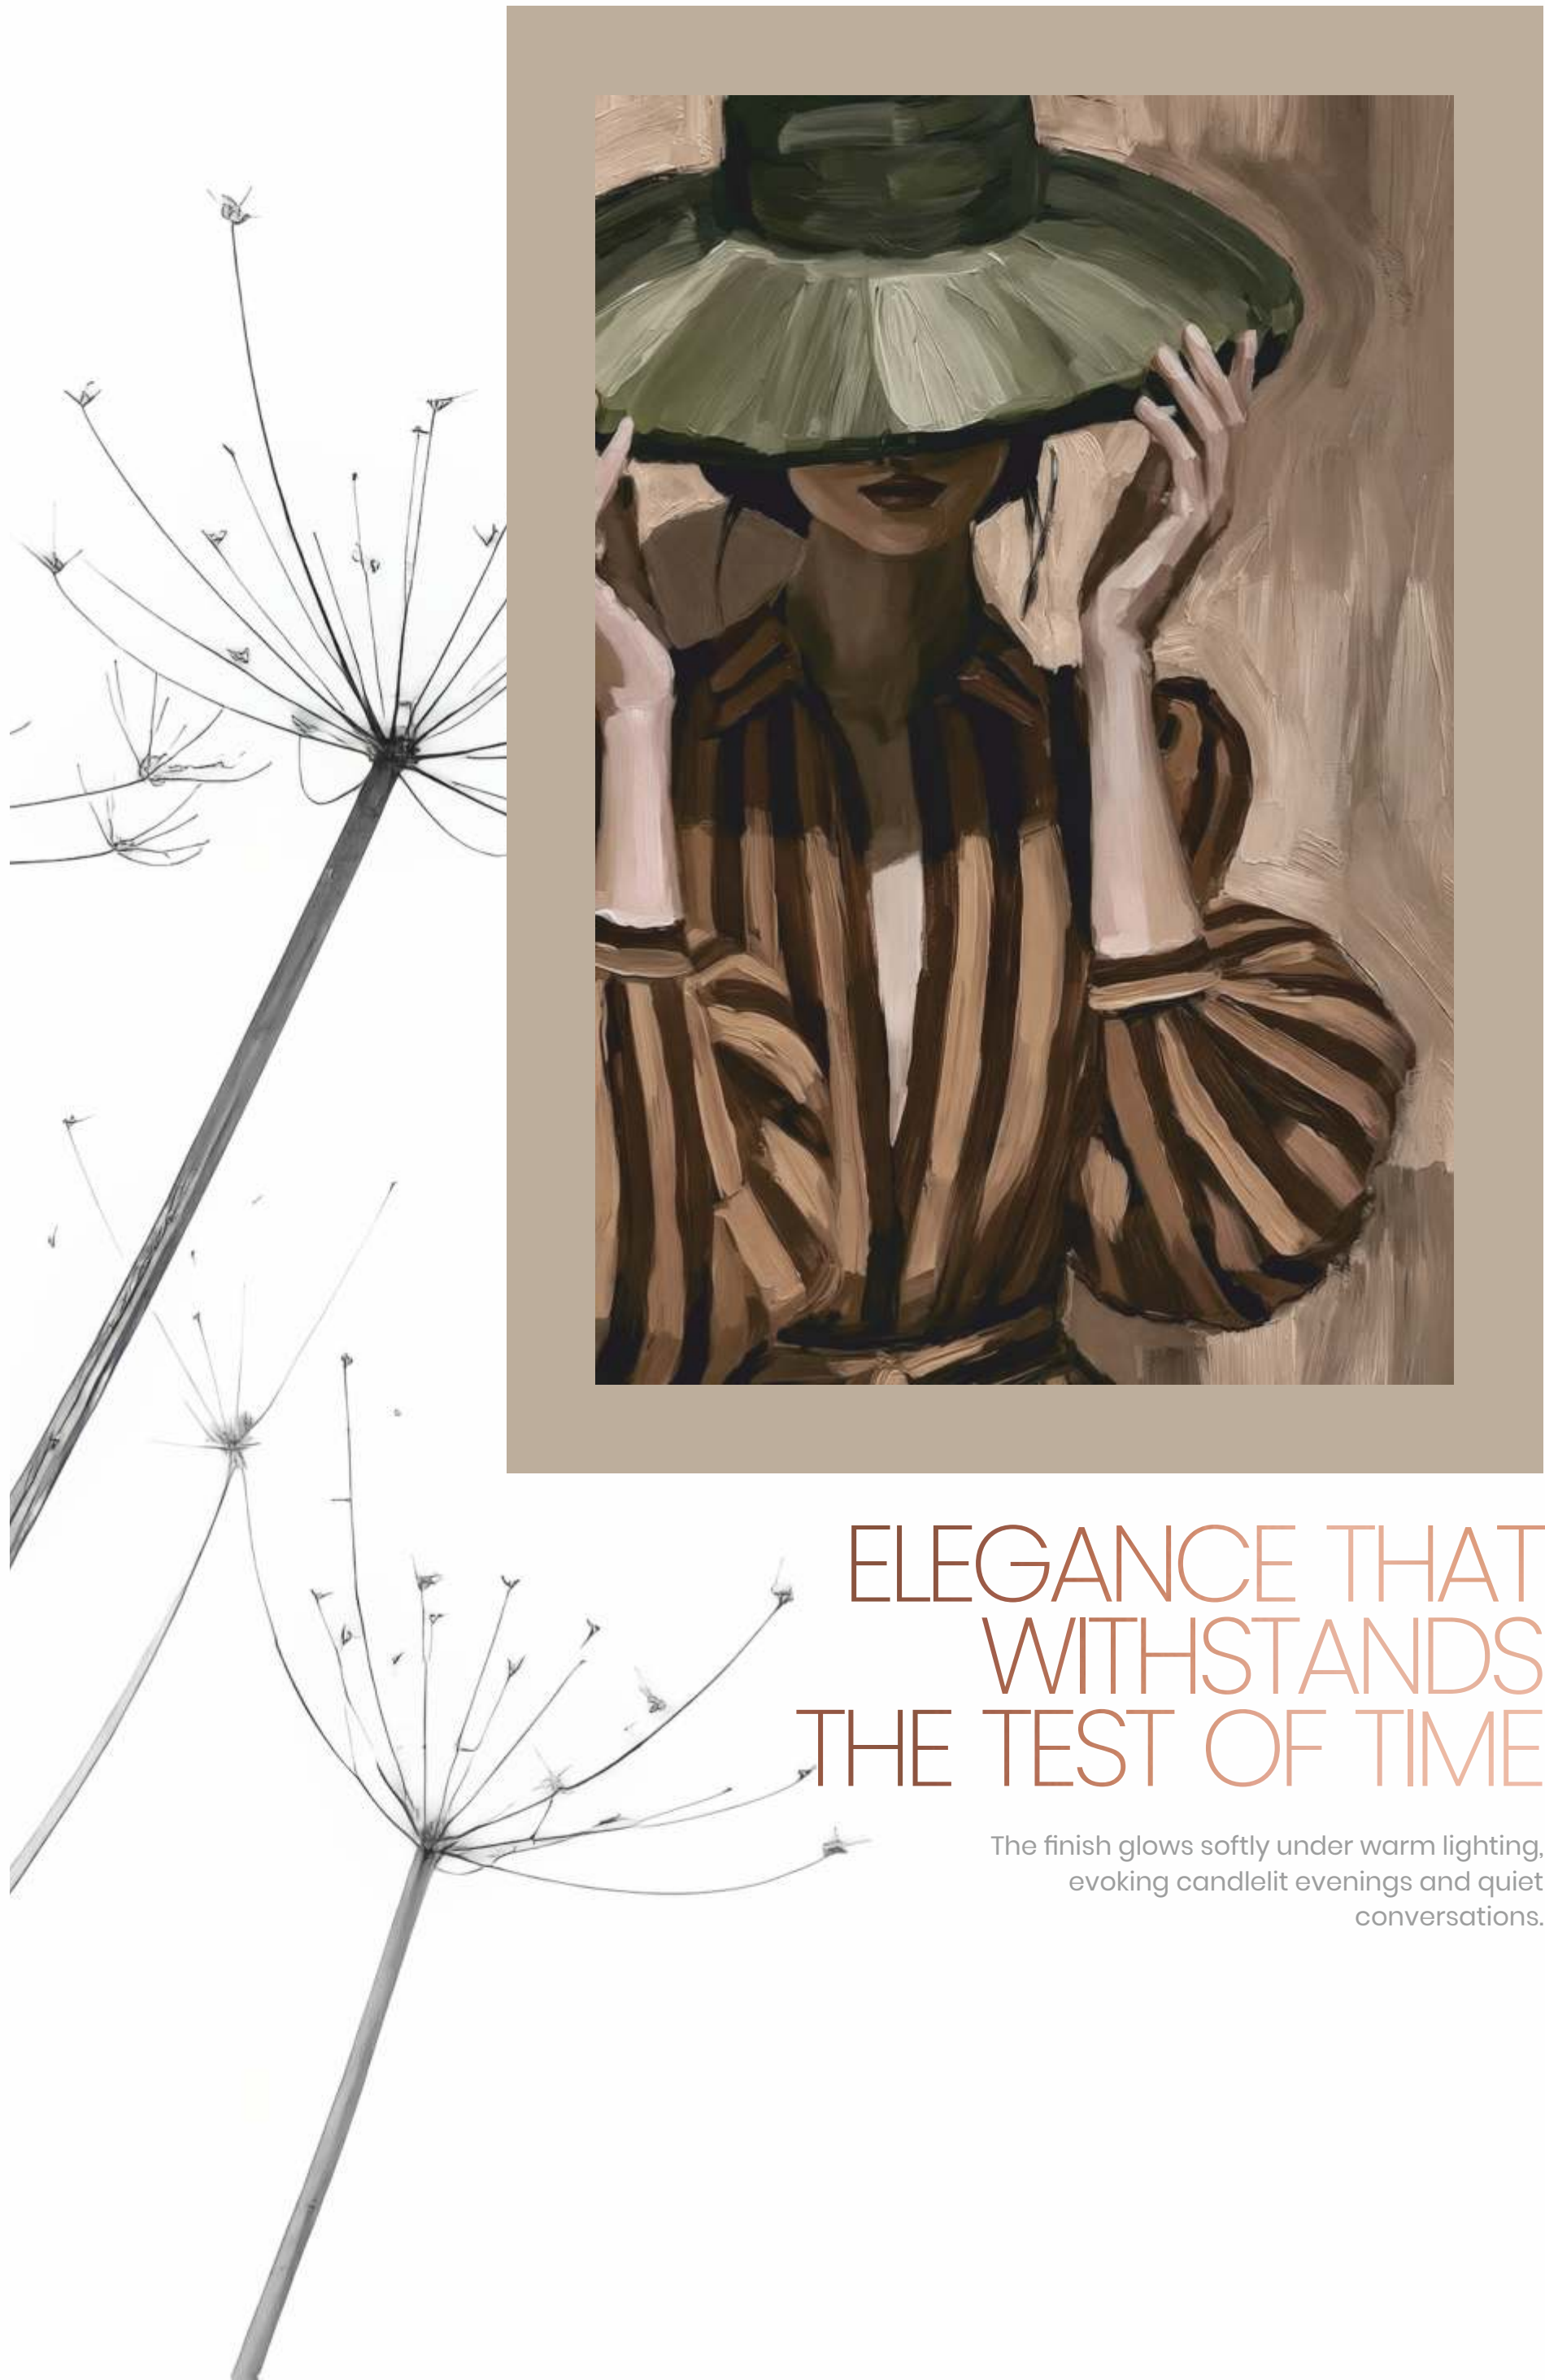

The grain patterns move like brushstrokes,
deliberate yet effortless.

Every knot and swirl feels intentional,
as though nature itself designed it to
be admired.

SYN 11023 | FAWN OAK

ELEGANCE THAT
WITHSTANDS
THE TEST OF TIME

The finish glows softly under warm lighting,
evoking candlelit evenings and quiet
conversations.

Its tones shift subtly from light to shadow,
creating depth that feels almost three-
dimensional.

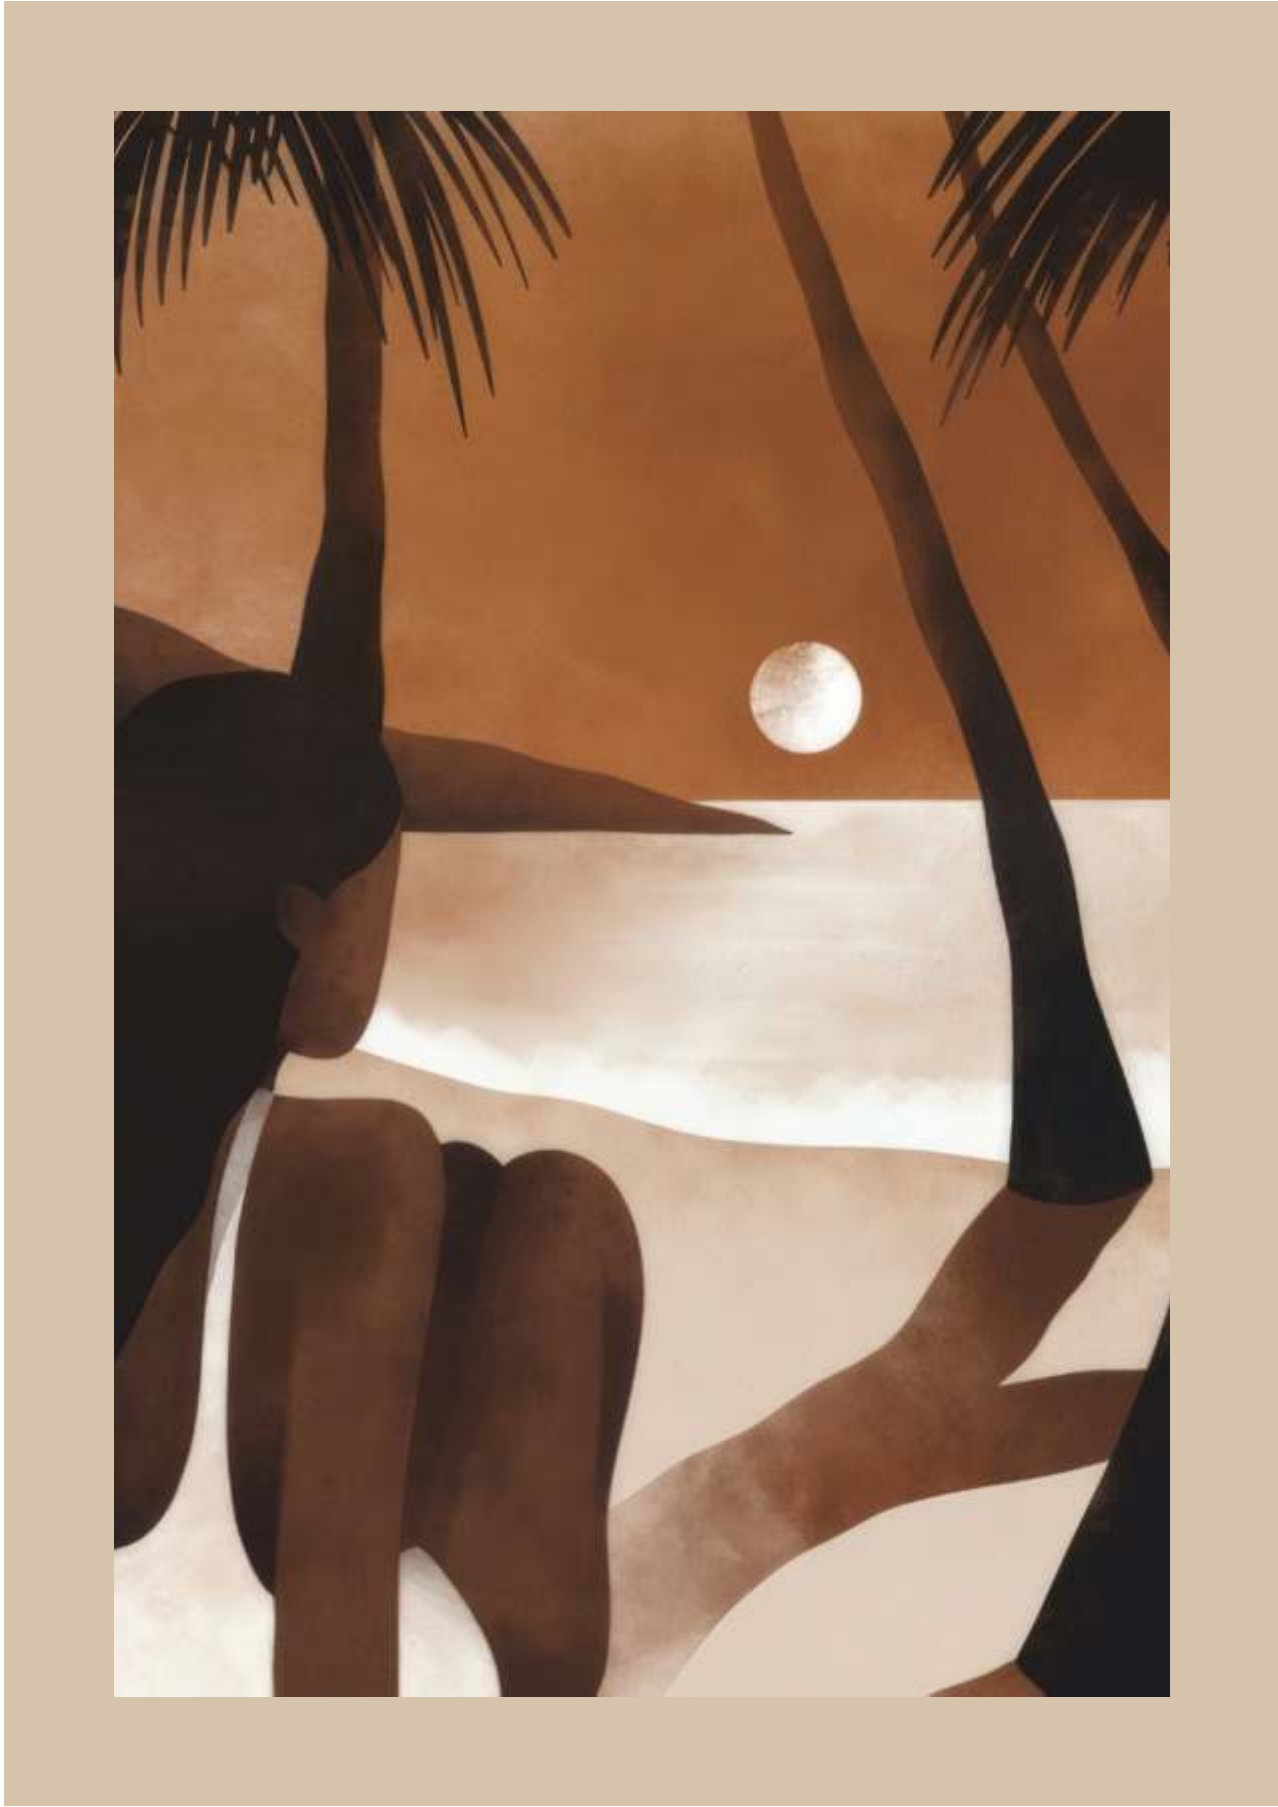

SYN 11024 | SOFT SANDALWOOD

SYN 11025 | LATTE WALNUT

There's a timeless elegance in
wood grain that no trend can
ever replace.

FINISHES
CRAFTED WITH
PRECISION, PASSION

This surface feels like it belongs to a
home that has stories to tell.

SYN 11026 | BUTTERED ALMOND

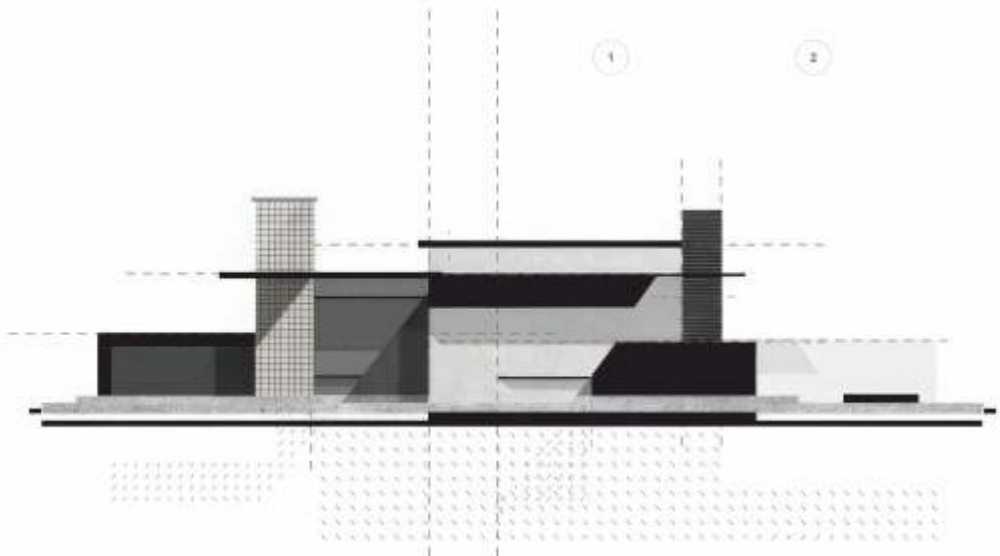

The texture carries just enough
imperfection to remind you it was
inspired by something real.

SYN 11027 | CAMEL TEAK

CHARISMATIC FORMS

Its warmth makes even the coldest room
feel instantly more inviting.

This laminate transforms plain walls and furniture into quiet works of art.

SYN 11028 | GOLDEN WHEAT

WHERE INNOVATION
MEETS TIMELESS
CRAFTSMANSHIP

The grain seems to move gently across
the surface, like waves frozen in time.

Its natural finish reflects the kind of beauty
that never needs explanation.

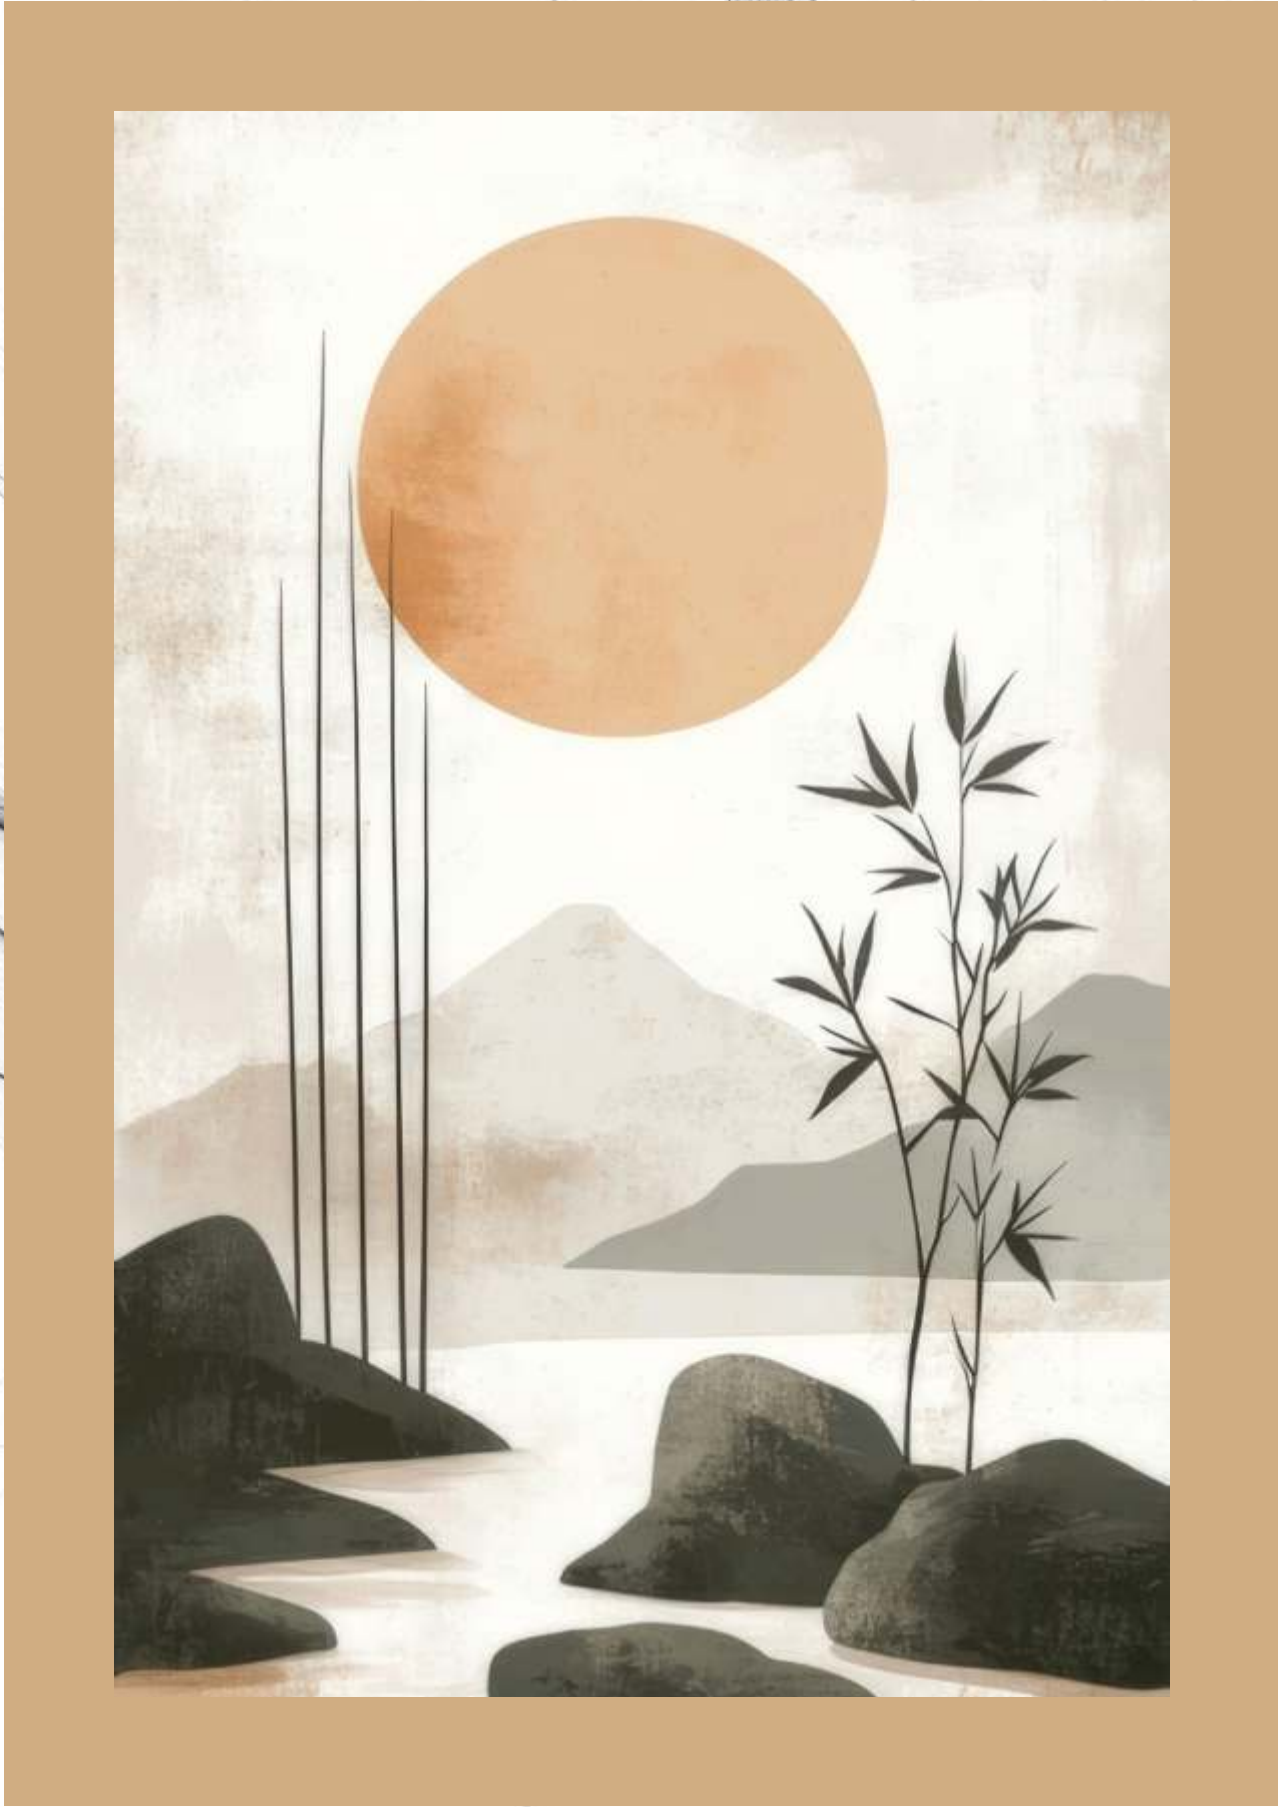

SYN 11029 | CLASSIC EBONY

SYN 11030 | GOLDEN TEAK

This is wood's beauty distilled — honest,
textured, and endlessly comforting.

SURFACES
DESIGNED FOR
MODERN DREAMERS

The surface holds light the way old timber
holds history — softly, and with depth.

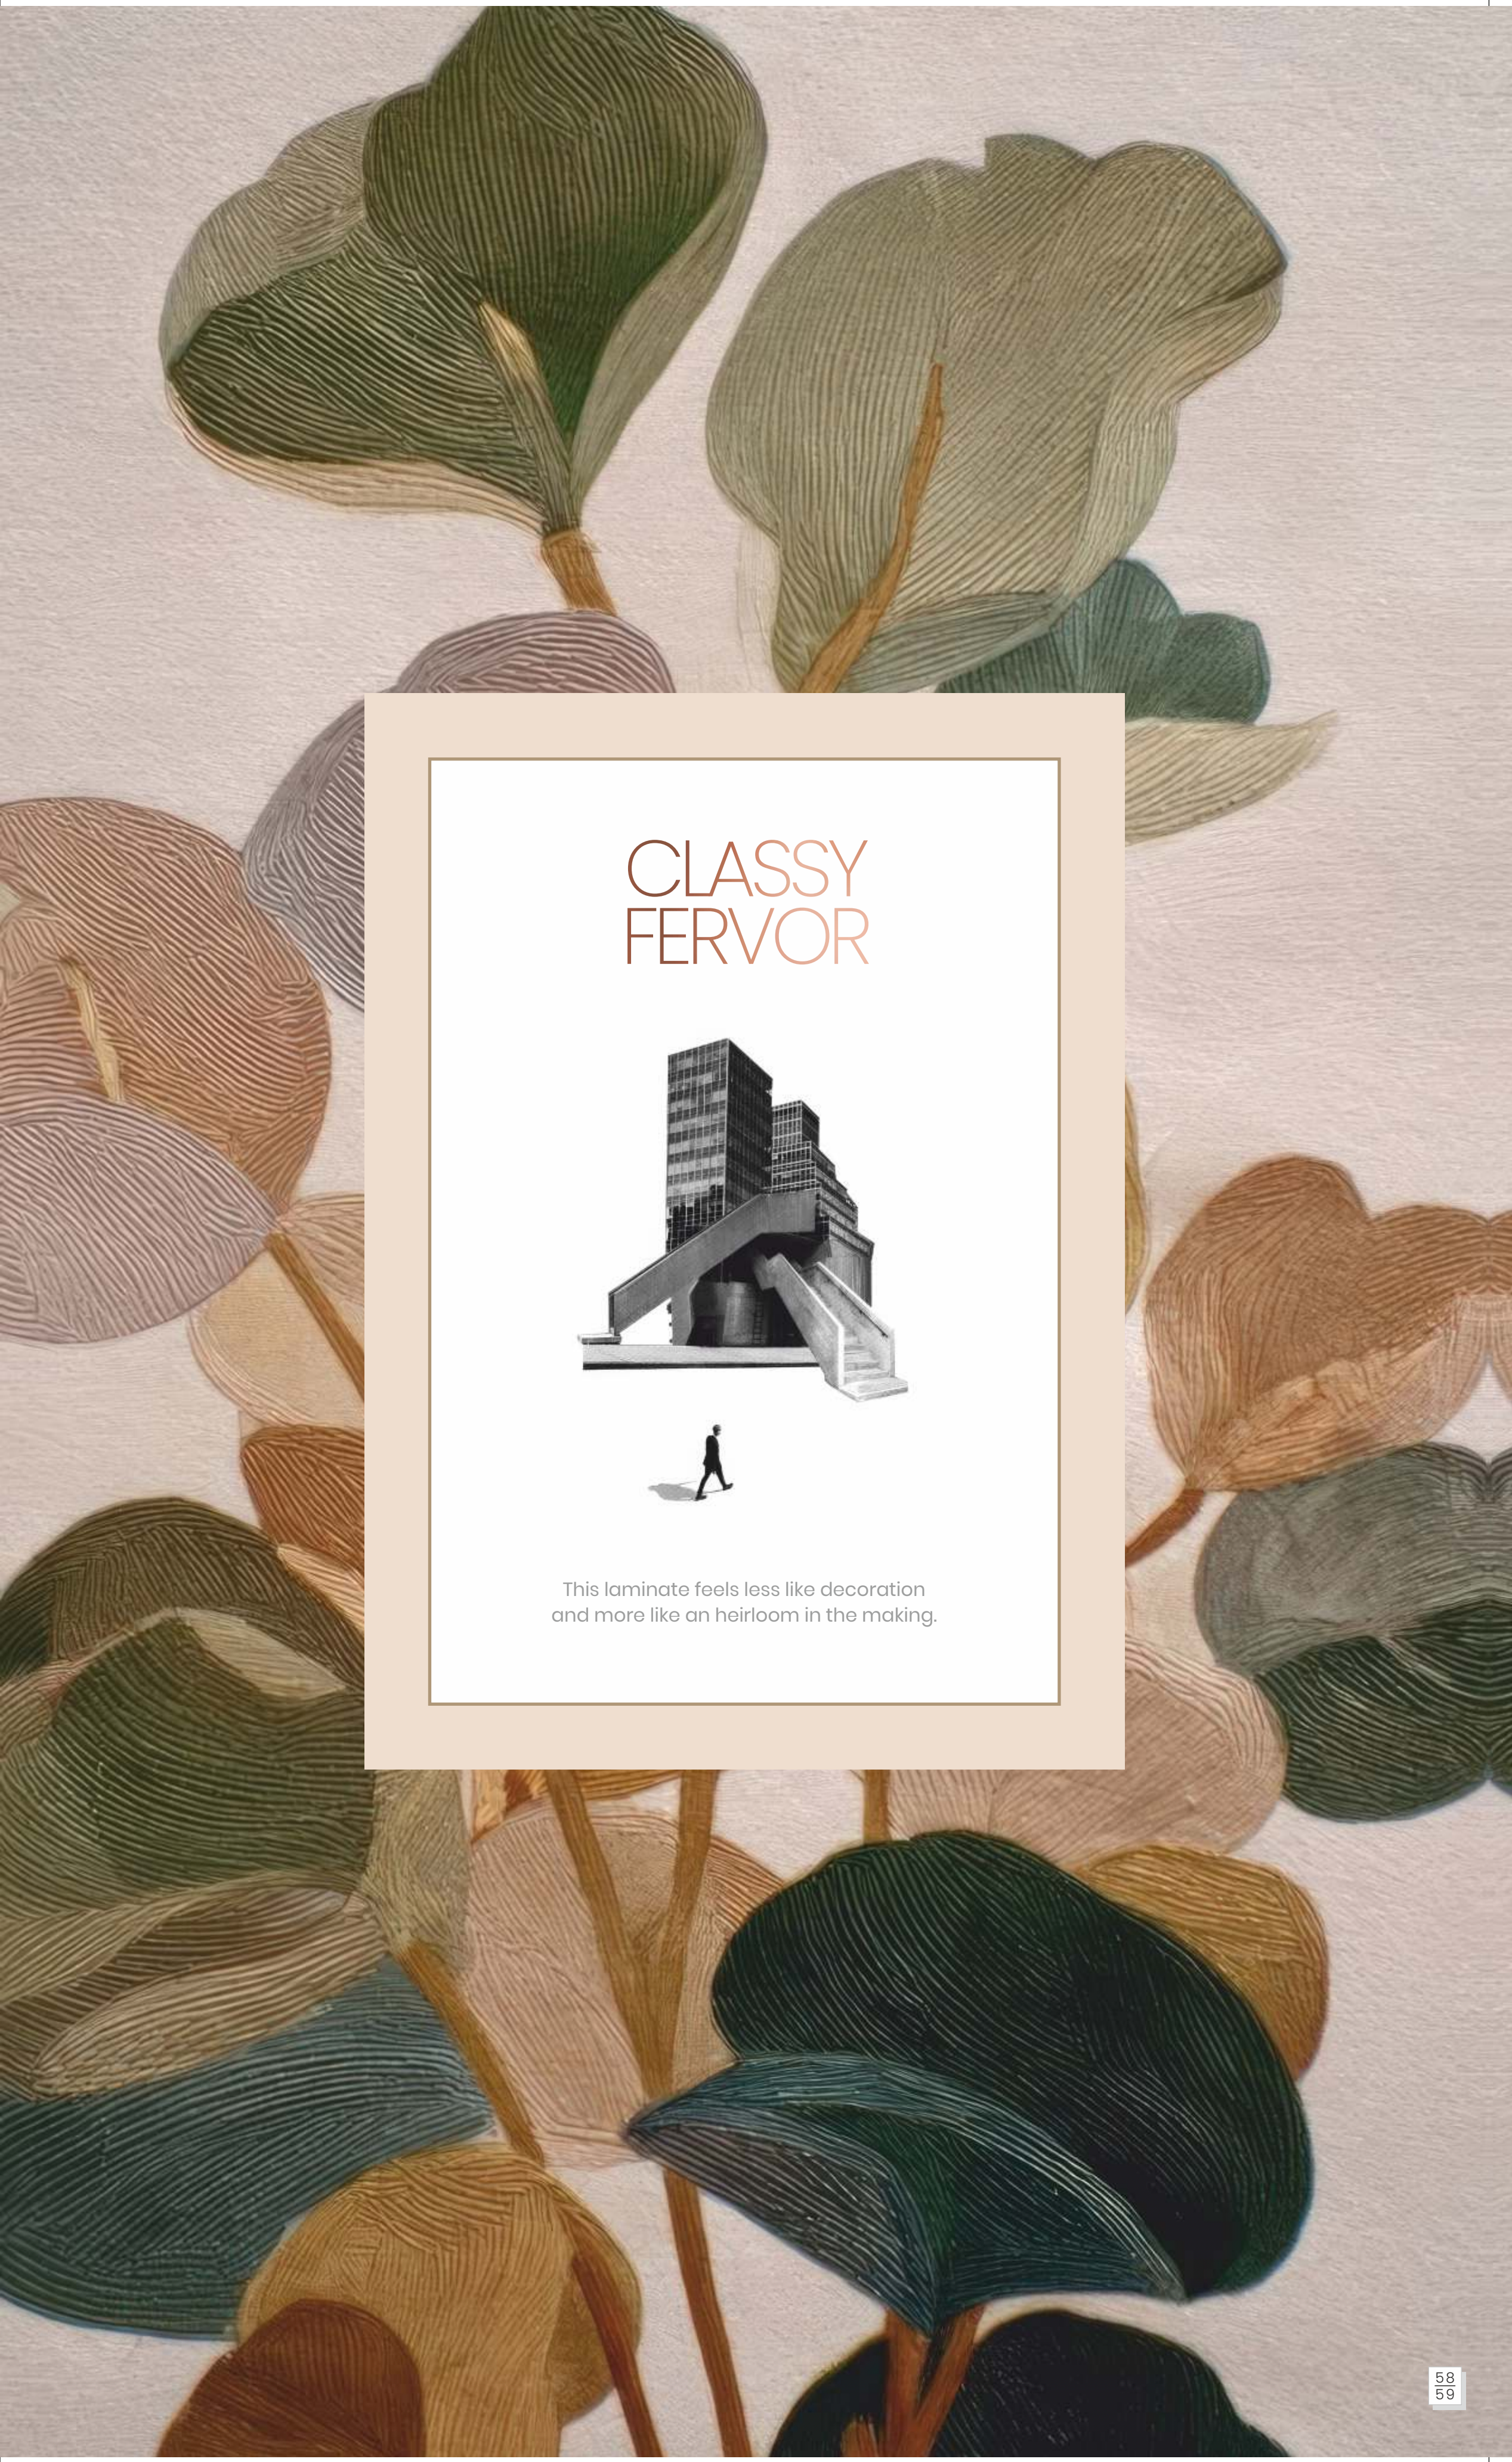

SYN 11031 | ROYAL WALNUT

Its earthy tones ground a space, offering calm amid the clutter of modern life.

SYN 11032 | HONEY MAPLE

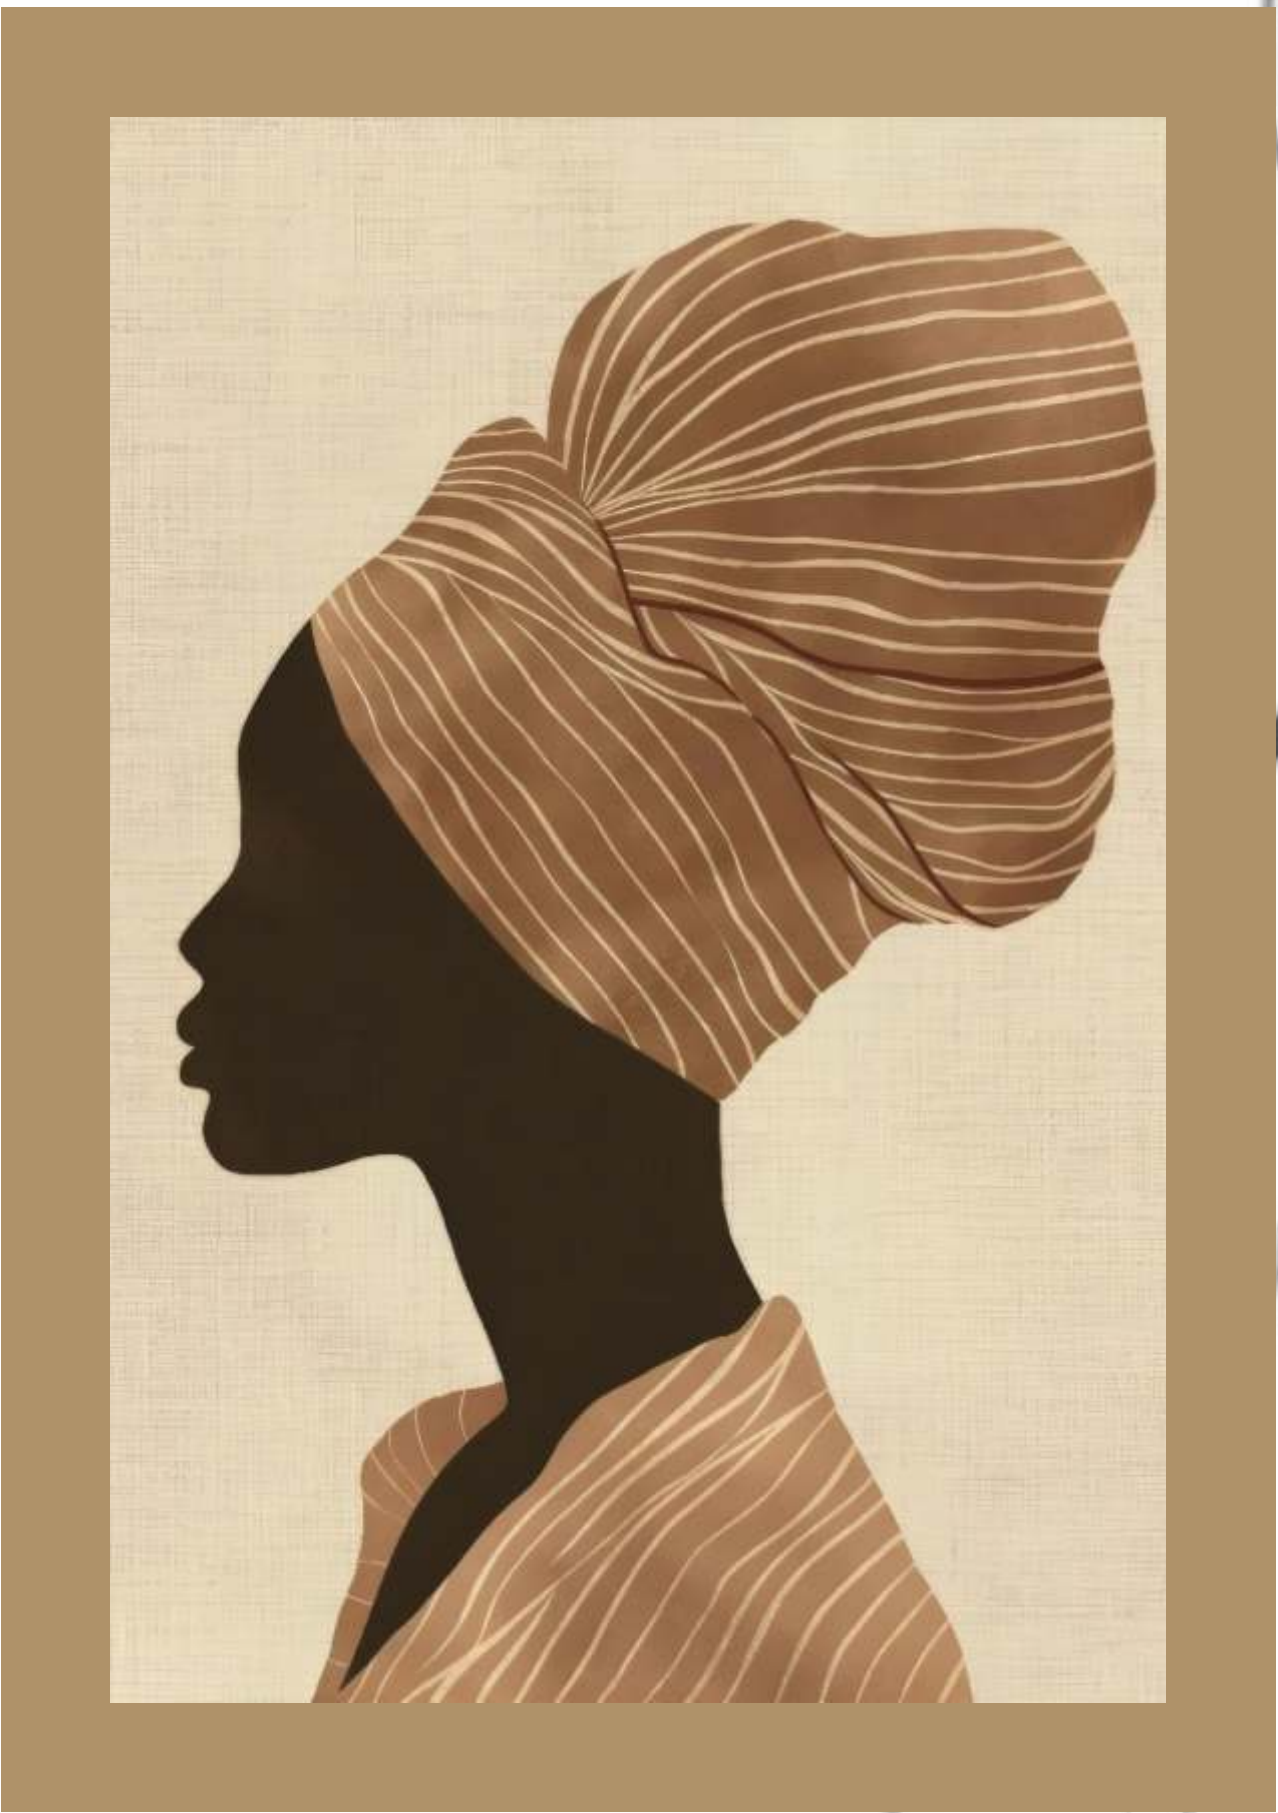

CLASSY
FERVOR

This laminate feels less like decoration
and more like an heirloom in the making.

Every inch carries the subtle irregularity
that only nature could design.

SYN 11033 | WILD ACACIA

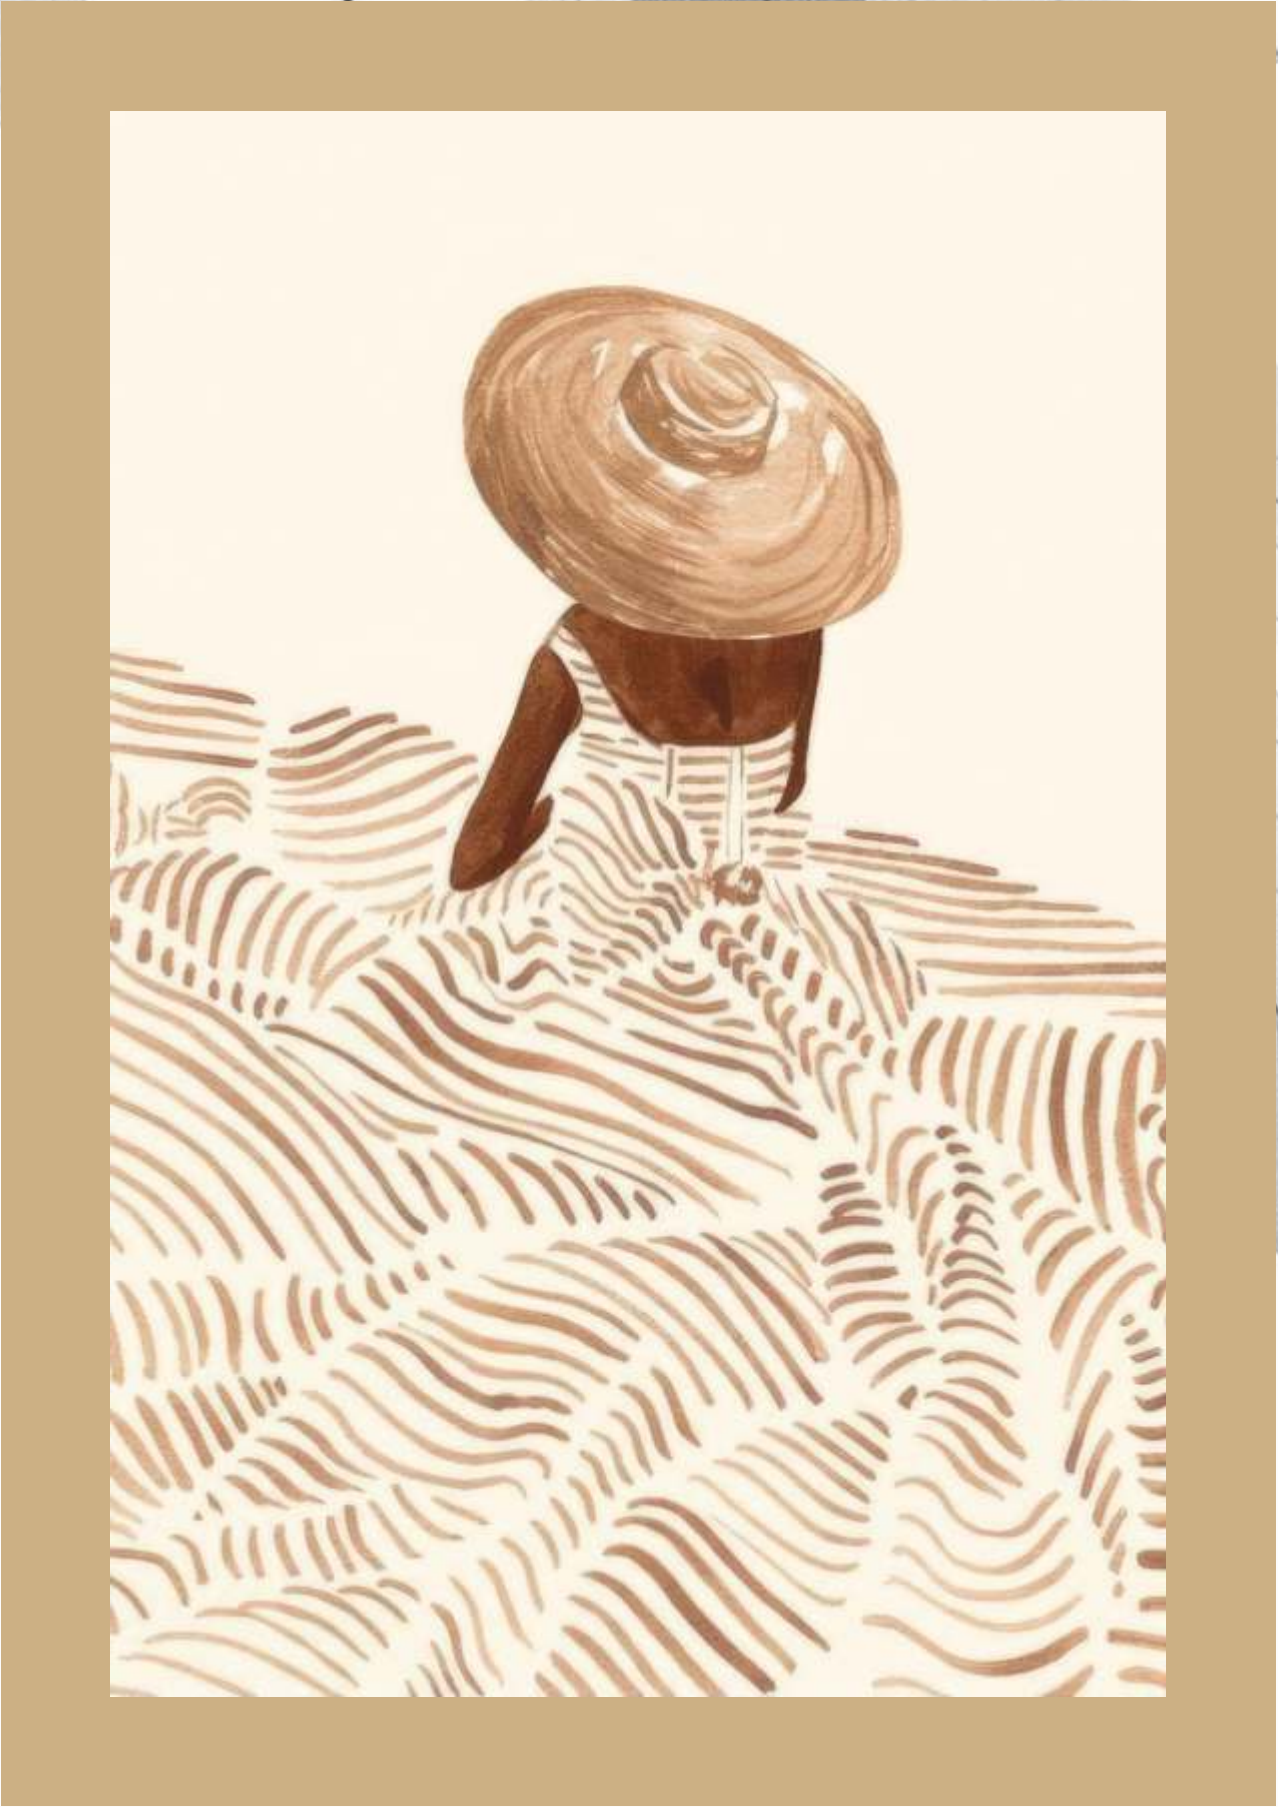

FINISHES THAT ELEVATE EVERY CORNER

The finish feels warm to the eye, even
before it's warm to the touch.

This surface captures the essence of an old forest floor, quiet and undisturbed.

SYN 11034 | SUNLIT OAK

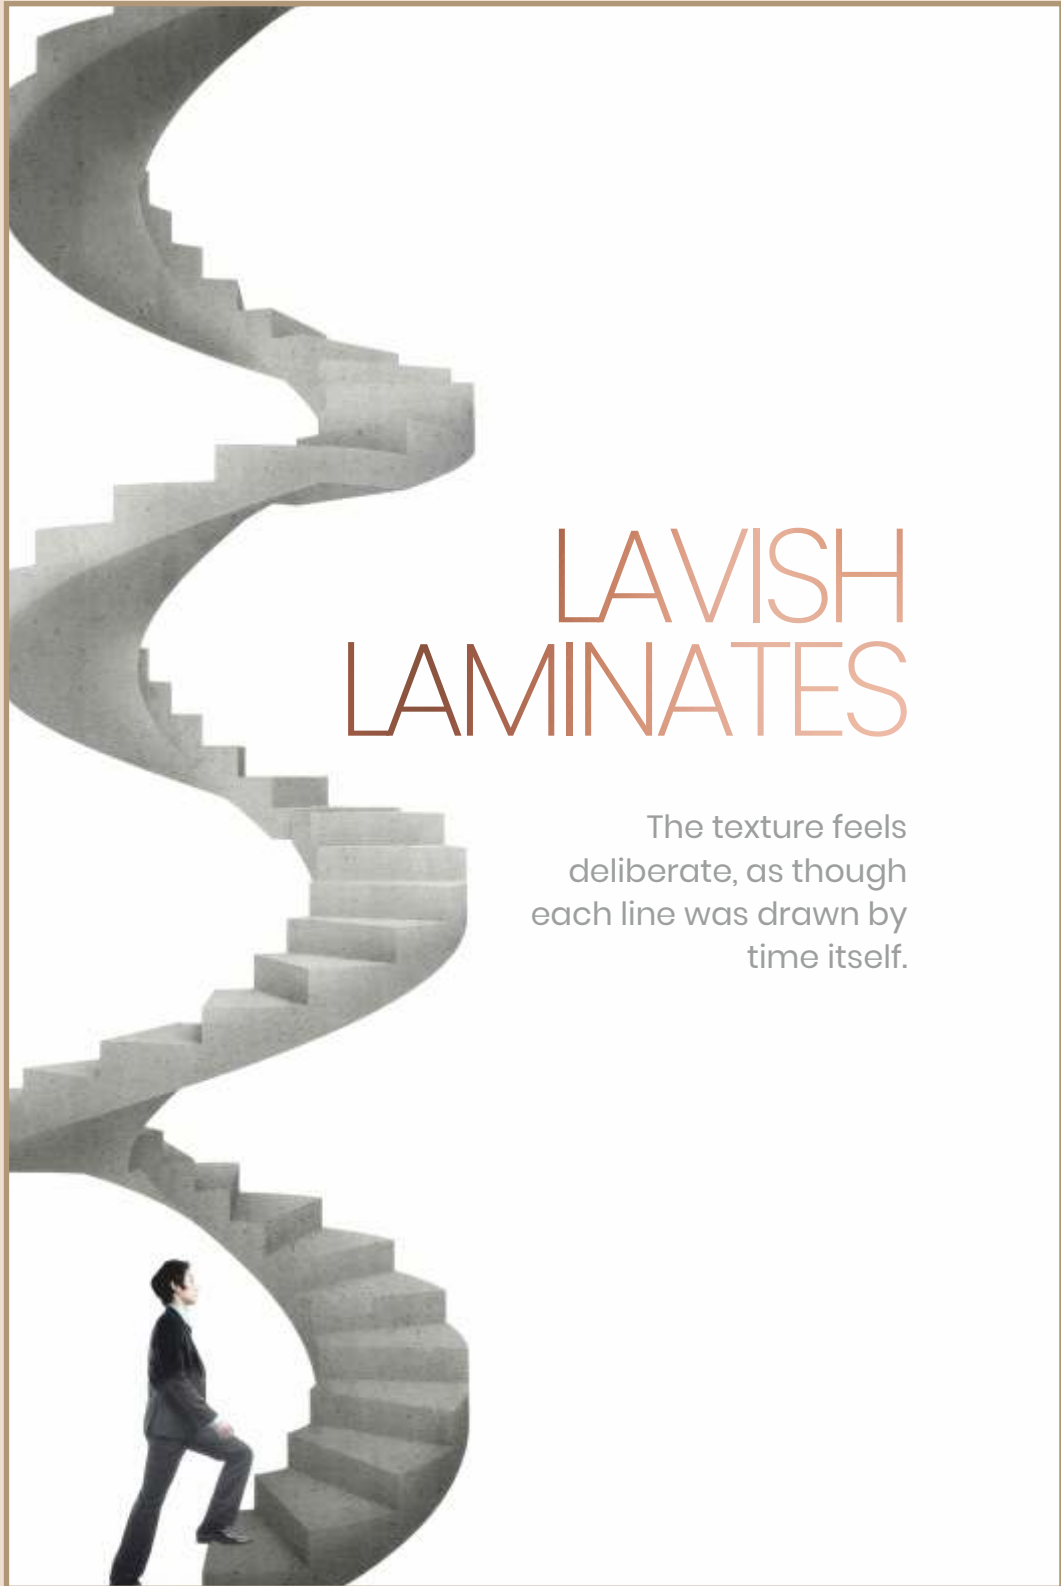

BRINGING CHARACTER TO EVERY SPACE

Its rich grain lines flow with a rhythm that feels almost musical.

This laminate brings the outdoors in, without ever losing its refined, indoor elegance.

SYN 11035 | RUSTIC CEDAR

Its beauty lies in subtlety — nothing loud,
nothing rushed, just quiet grace.

SYN 11036 | DESERT SANDALWOOD

FINISHES DESIGNED FOR MODERN DREAMERS

The grain's natural flow makes every panel
feel slightly different, slightly personal.

This laminate holds the same quiet dignity
as an old wooden writing desk.

SYN 11037 | AUTUMN BIRCH

SYN 11038 | COPPER ELM

DESIGN THAT TRANSFORMS HOUSE INTO HOME

The surface feels like a memory — familiar,
comforting, and quietly beautiful.

Its warm palette invites long mornings,
slow conversations, and quiet reflection.

SYN 11039 | VINTAGE CHESTNUT

This finish doesn't try to impress; it simply belongs, effortlessly and completely.

SYN 11040 | ANTIQUE ROSEWOOD

CURATED
CHARM

Every grain pattern feels like it was
borrowed straight from an old-growth
forest.

This laminate turns ordinary surfaces
into spaces worth pausing in.

SYN 11041 | NOBLE CHERRY

FINISHES CRAFTED FOR DISCERNING TASTES

Its natural texture creates a tactile beauty
that synthetic finishes often lack.

The tones deepen with shadow and
lighten with sun, never staying quite
the same.

SYN 11042 | WOODLAND AMBER

TEXTURES THAT
BRING ROOMS
TOGETHER

This surface feels like the quiet
architecture of an old countryside home.

Its grain lines carry the same elegance
found in centuries-old wooden furniture.

SYN 11043 | NORDIC PINE

STUNNING APPEAL

This laminate captures wood's raw beauty
while refining it for modern living.

The finish feels honest — no gloss, no
exaggeration, just natural charm.

SYN 11044 | ESPRESSO WALNUT

FINISHES THAT
CELEBRATE
NATURAL BEAUTY

Its texture feels handcrafted, even though
it was designed for everyday durability.

Every surface seems to hold its own quiet history, waiting to be noticed.

SYN 11045 | REGAL TEAK

SYN 11046 | CINNAMON TEAK

The grain's natural rhythm brings a sense
of balance to any interior.

GRAINS THAT CAPTURE TIMELESS BEAUTY

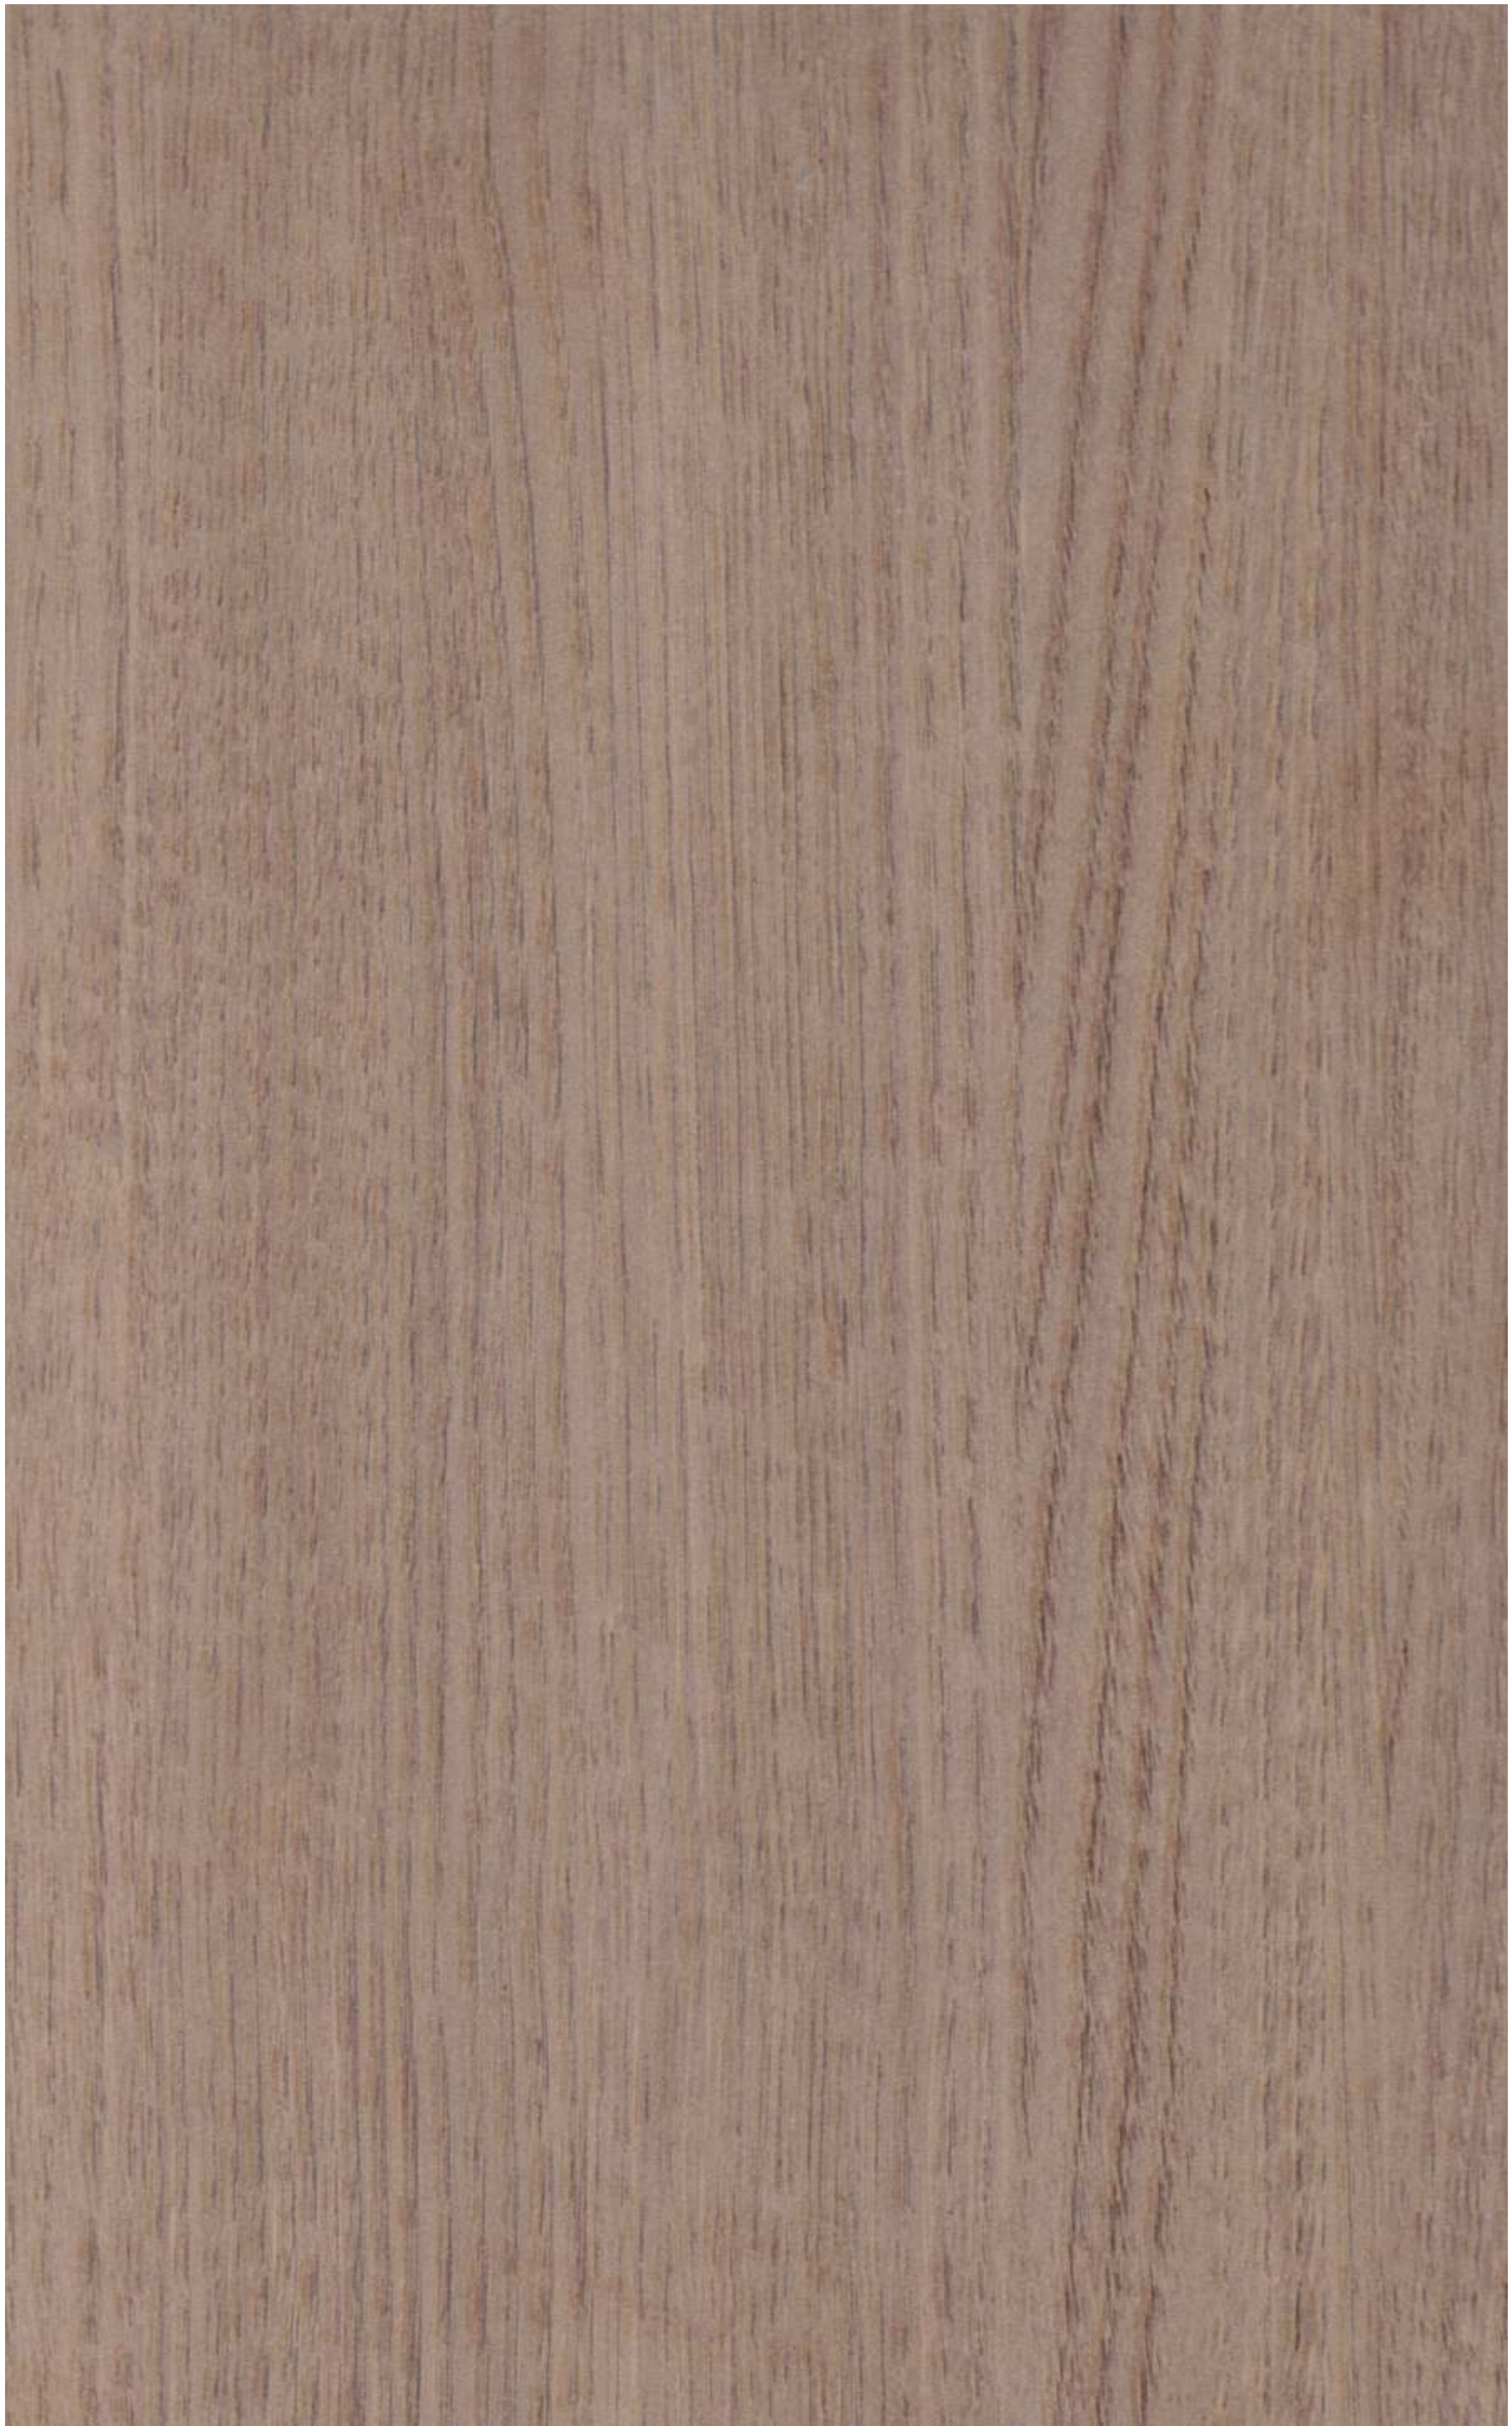

This finish feels like nature's own signature,
subtle yet unmistakable.

SYN 11047 | SABLE WALNUT

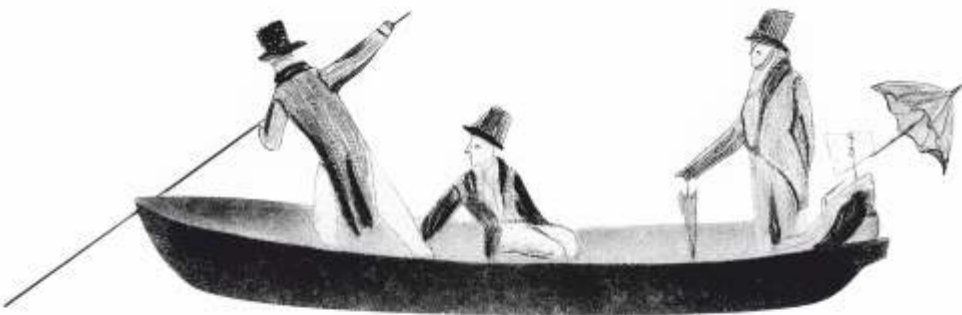

Its warm, earthy tones make a space feel instantly more grounded.

SYN 11048 | MYSTIC WENGE

CREATING
MAGNIFICENCE

This laminate embodies wood's timeless charm without asking for attention.

The surface feels textured with intention,
as though shaped rather than printed.

SYN 11049 | WEATHERED TEAK

SURFACES DESIGNED WITH PASSION, PRECISION

Its grain patterns move like a story told
slowly, one detail at a time.

This laminate makes even minimal spaces feel warm and complete.

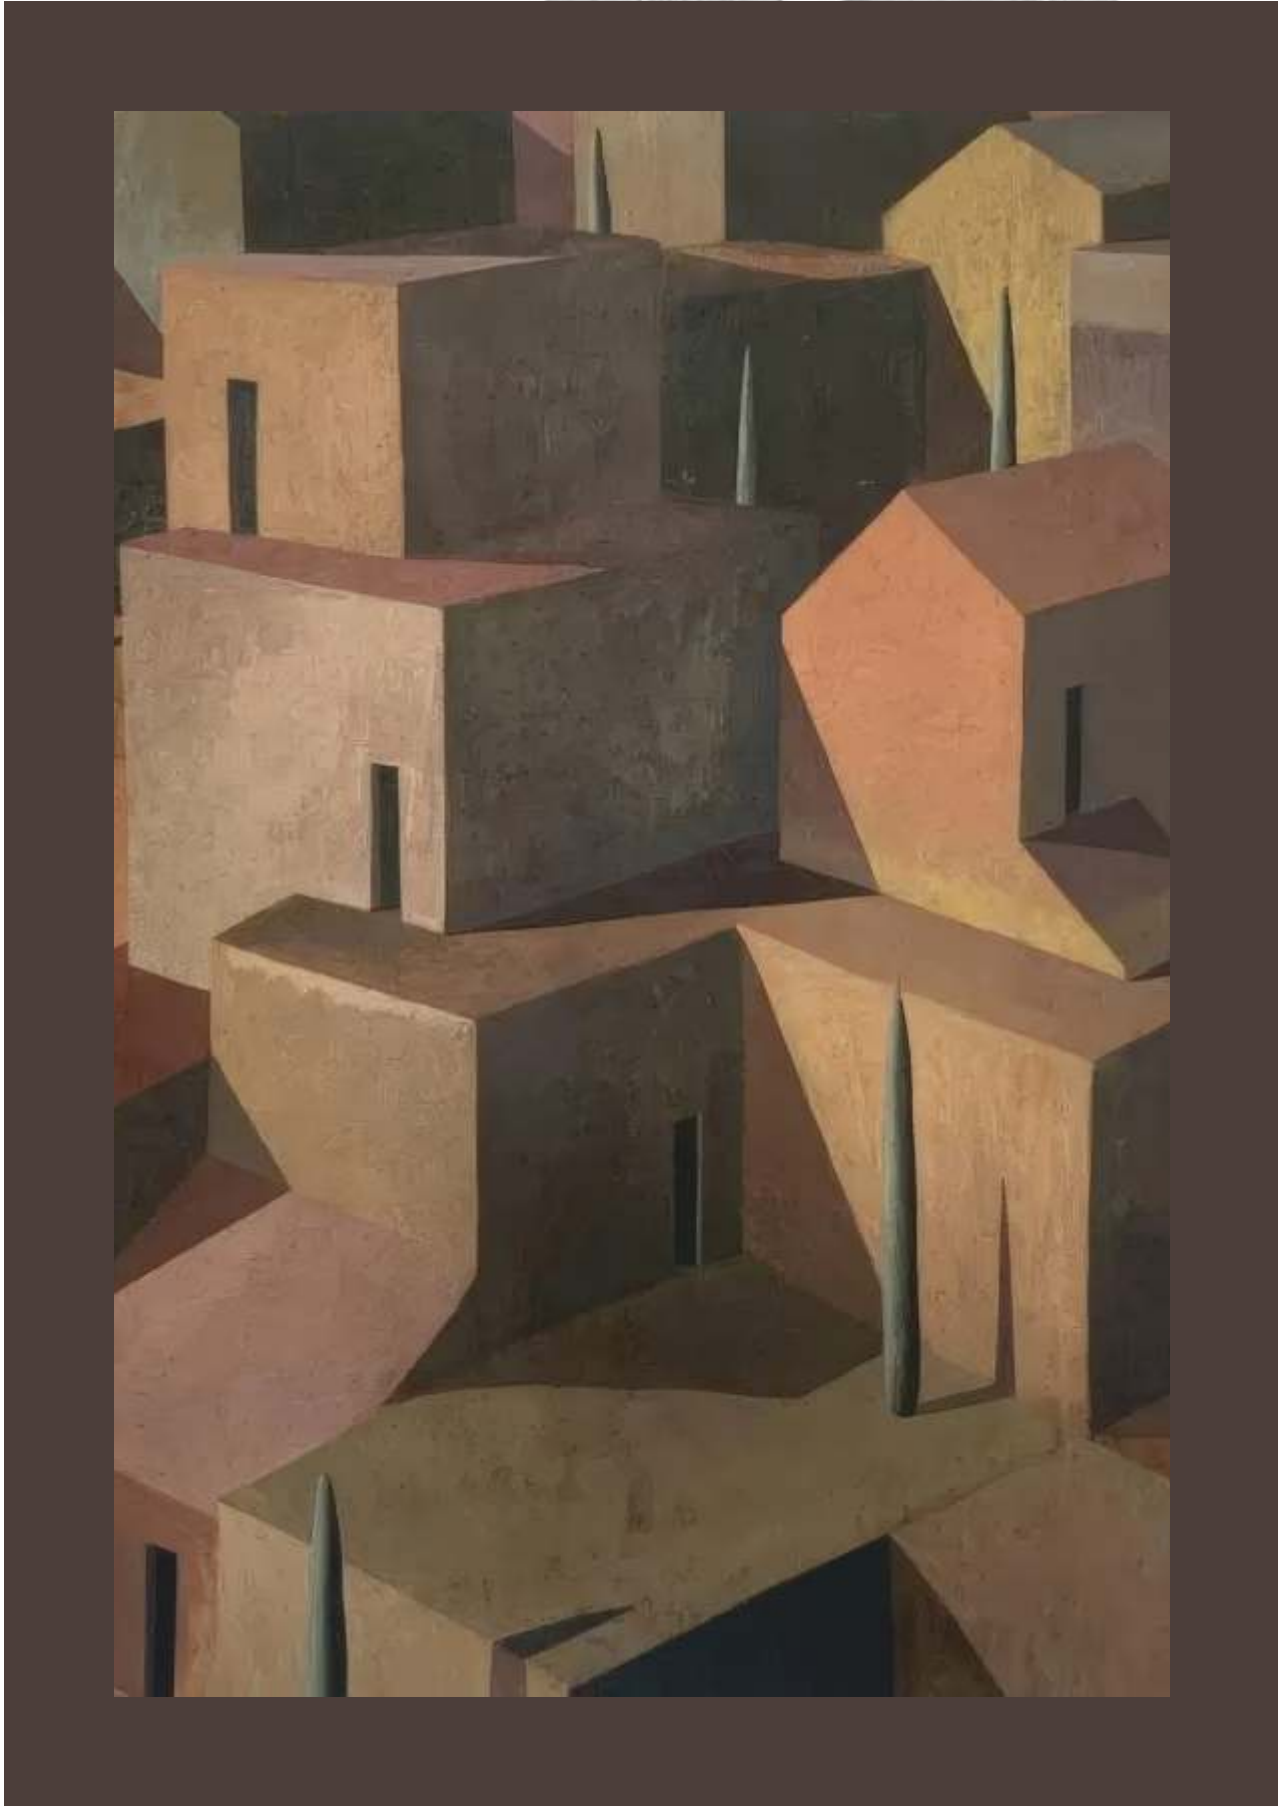

SYN 11050 | ROASTED CHESTNUT

SYN 11051 | HIGHLAND OAK

The tones feel borrowed from nature's own
quiet palette — bark, soil, and sunlight.

ELEMENTAL
CHARM OF
CHIC DECORS

The grain's texture feels alive, carrying
subtle movement across every panel.

SYN 11052 | COCOA WALNUT

This finish feels like a quiet nod to nature in an otherwise modern space.

SYN 11053 | MOONLIT ASH

ETERNAL BEAUTY

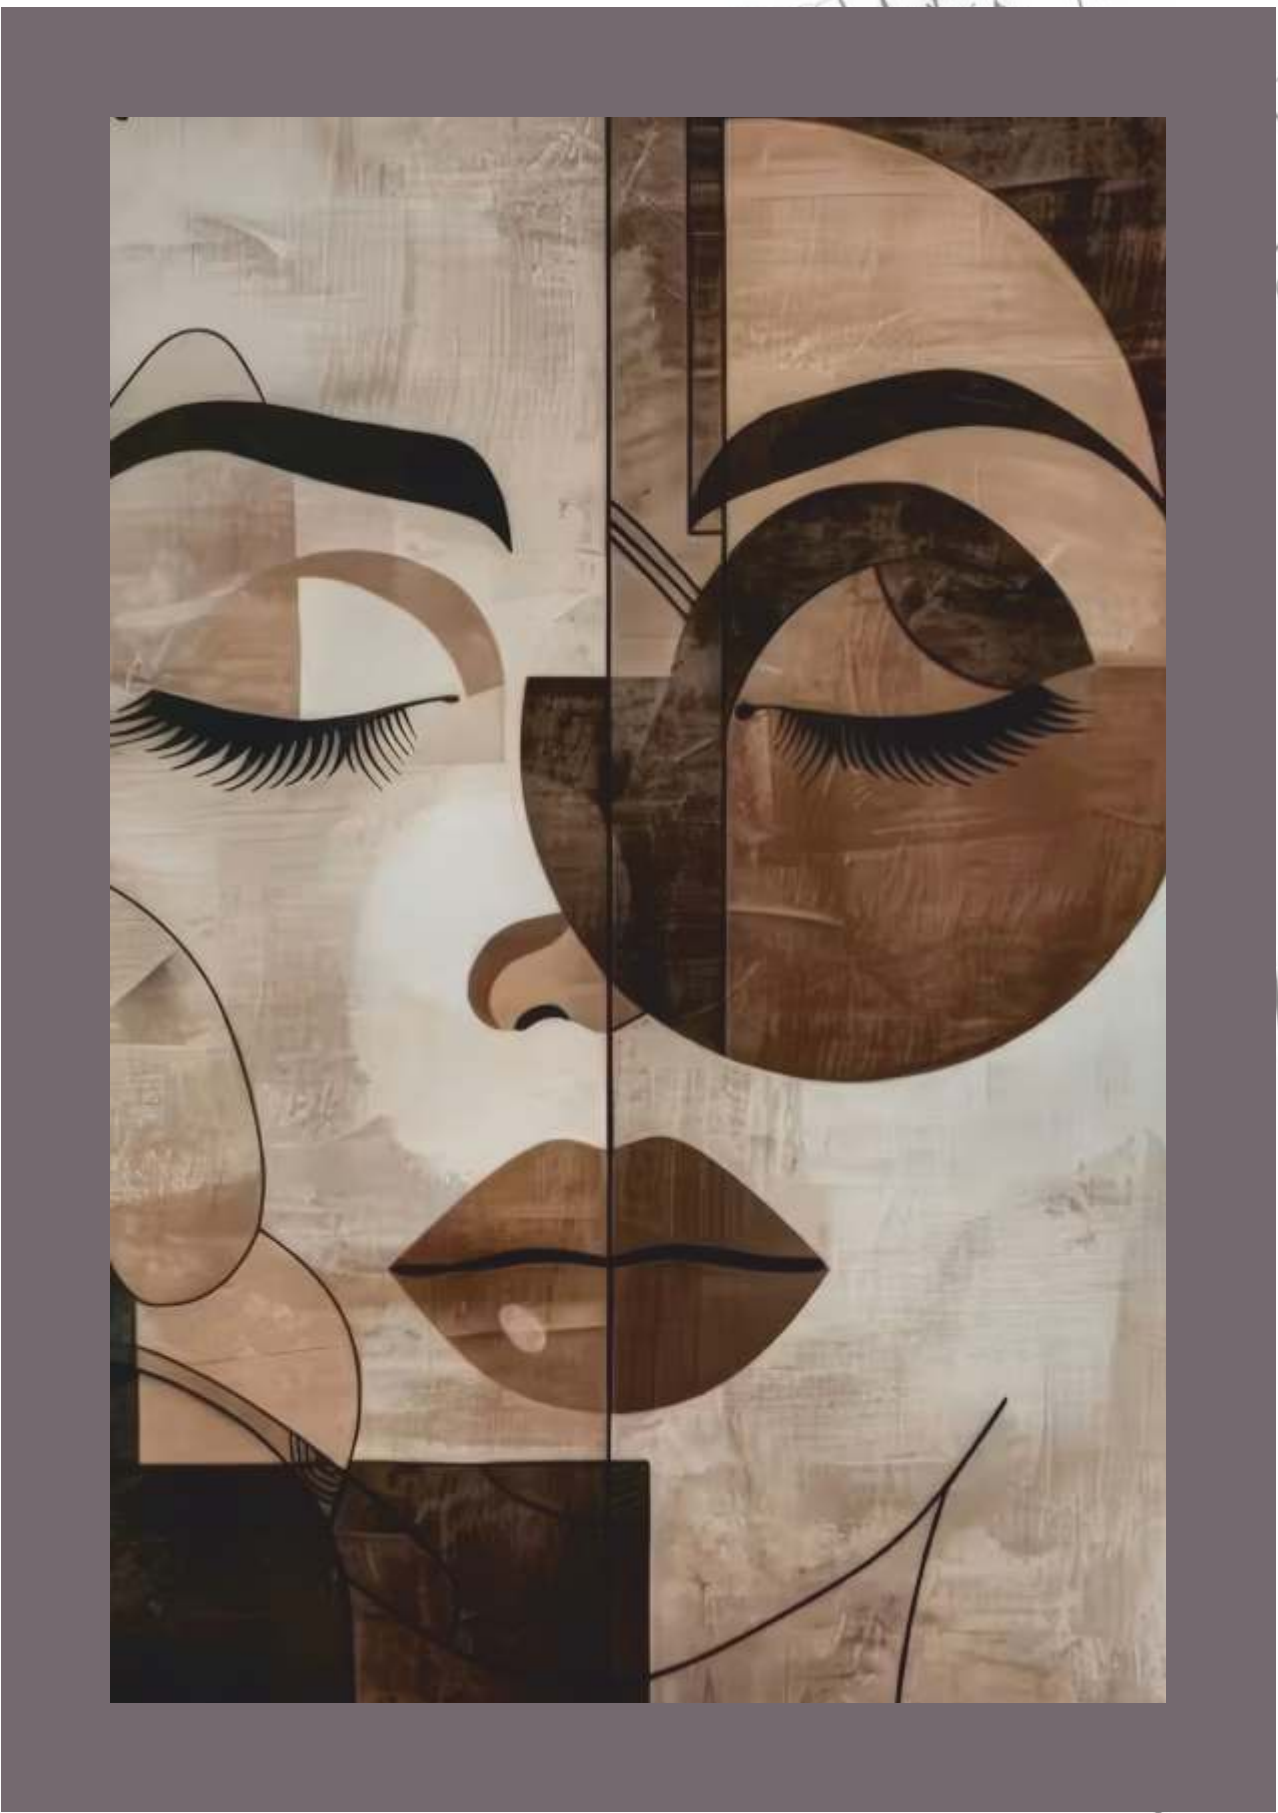

The surface feels textured with memory,
as though it has always been there.

Its natural grain flows effortlessly, giving every piece its own quiet identity.

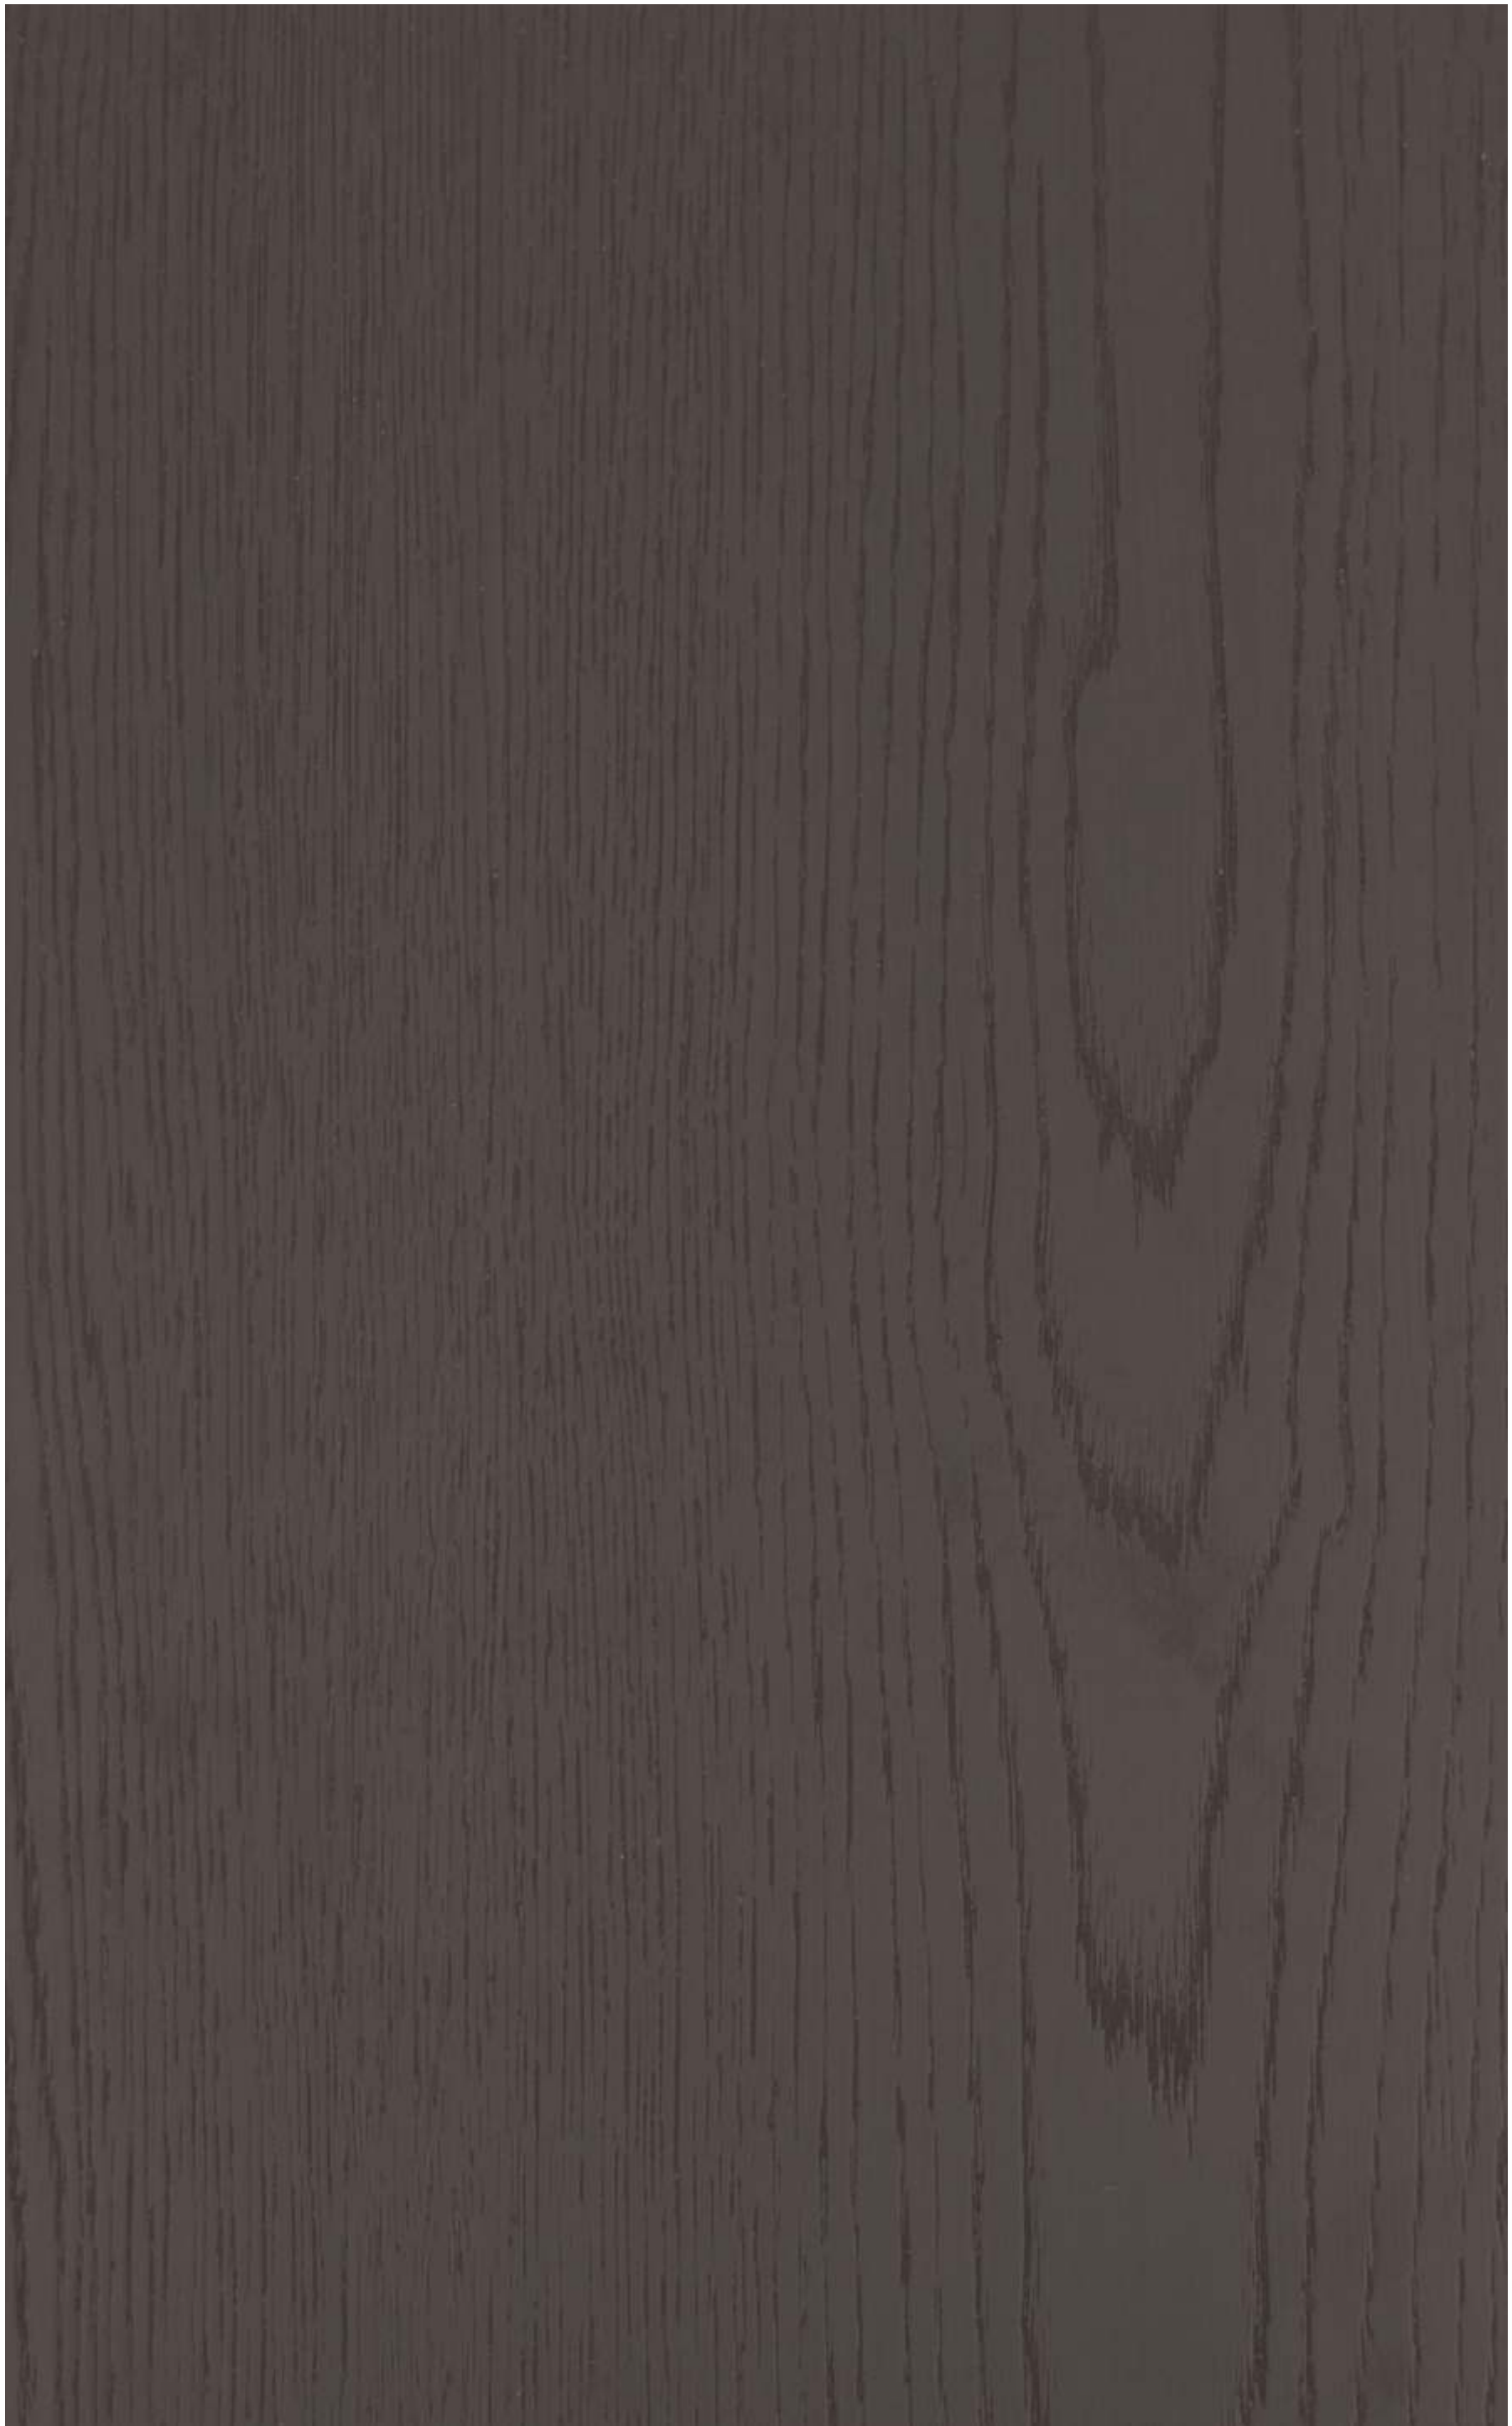

SYN 11054 | GRAPHITE WOOD

A SAGA OF GRACE AND CONTEMPORARY PANACHE

Every plank carries a subtle elegance that feels both classic and current.

This laminate makes spaces feel warmer,
softer, and more human.

SYN 11055 | LEGACY TEAK

SYN 11056 | CLOUD OAK

SNAZZY FEEL OF EXQUISITE SPACES

This surface feels like a quiet retreat,
even within a busy home.

Its beauty feels unforced, the kind that
simply exists rather than performs.

SYN 11057 | SHADOW OAK

This laminate brings a sense of heritage
to even the newest interiors.

SYN 11058 | CREMA MARFIL

SYN 11059 | ALMOND TRAVERTINE
